DRAFT OF A CALIFORNIA STATE WIDE INITIATIVE MEASURE**TITLE:**

Democracy for all California Legislators in California Capitol

SUMMARY:

No secret ballot means no democracy.

Therefore, all elected California Legislators must always use secret ballot for all votes.

SCOPE:

This initiative is meant for all decision processes used in California Capitol for making all kinds of rules, regulations, and laws by all the elected officials of the California State Assembly and California State Senate.

Any committee, sub-committee, team, group etc. created out of the above elected officials, will be subjected to this initiative. No such team can have less than three elected members.

Whenever and wherever there is a vote for making a decision, from any process, by such a team of elected officials, the vote will be subjected to this initiative.

INITIATIVE:

People of California use secret ballot to elect their representatives in the state capitol. Democracy means use of secret ballot in voting. If people's elected representatives cannot use secret ballot to vote then people lose their secret ballot and therefore democracy. This proposition wants to give that democracy to their elected representatives.

All votes must use California State approved secret ballot for making all decisions. No decision will be considered valid if it bypasses the secret ballot of the voting system. No electronic voting system can be used.

This initiative measure will amend the California Constitution.
