Senate Bill No. 1446**CHAPTER 58**

An act to amend Sections 32310, 32400, 32405, 32410, 32425, 32430, 32435, and 32450 of, to add Section 32406 to, and to repeal Section 32420 of, the Penal Code, relating to firearms.

[Approved by Governor July 01, 2016. Filed with Secretary of State July 01, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1446, Hancock. Firearms: magazine capacity.

(1) Existing law prohibits the sale, gift, and loan of a large-capacity magazine. A violation of this prohibition is punishable as a misdemeanor with specified penalties or as a felony.

This bill would, commencing July 1, 2017, make it an infraction punishable by a fine not to exceed \$100 for the first offense, by a fine not to exceed \$250 for the 2nd offense, and by a fine not to exceed \$500 for the 3rd or subsequent offense, for a person to possess any large-capacity magazine, regardless of the date the magazine was acquired. The bill would require a person in lawful possession of a large-capacity magazine prior to July 1, 2017, to dispose of the magazine, as provided.

By creating a new crime, this bill would impose a state-mandated local program.

(2) Existing law creates various exceptions to the crime described in paragraph (1) above, which include, but are not limited to, the sale of, giving of, lending of, importation into this state of, or purchase of, any large-capacity magazine to or by the holder of a special weapons permit for use as a prop for a motion picture, or any federal, state, county, city and county, or city agency that is charged with the enforcement of any law, for use by agency employees in the discharge of their official duties, whether on or off duty, and where the use is authorized by the agency and is within the course and scope of their duties.

This bill would make conforming changes to those exceptions by including possession of a large-capacity magazine in those provisions and would establish additional exceptions to the crime described in paragraph (1) above, including exceptions to allow licensed gunsmiths and honorably retired sworn peace officers to possess a large-capacity magazine.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

REFERENDUM TO OVERTURN LAW PROHIBITING POSSESSION OF LARGE-CAPACITY AMMUNITION MAGAZINES. If signed by the required number of registered voters and timely filed with the Secretary of State, this petition will place on the statewide ballot a challenge to a state law previously approved by the Legislature and the Governor. The challenged law must then be approved by a majority of voters at the next statewide election to go into effect. The law would prohibit possession of large-capacity ammunition magazines and require these magazines be destroyed, removed from the state, sold to a firearms dealer, or surrendered to law enforcement.
