Dear Justice Traynor:

I was interested to read in the New York Times recently, as I had previously heard informally, that you are heading the new press council being established by the Twentieth Century Fund.

This is a subject that lies near the center of my professional interests, as indicated by the enclosed reprints that may be of interest to you. I would therefore like to offer my help in any way that may be of assistance to you.

Sincerely,

Stephen R. Barnett  
Professor of Law
