BY WRITTEN COMMENT PERIOD**

NOTICE IS HEREBY GIVEN that the Hastings Campus Housing Finance Authority (the “Authority”) has adopted a proposed form of Conflict of Interest Code pursuant to California Government Code Section 87300. Pursuant to California Government Code Section 87302, the Conflict of Interest Code designates officials and employees who must disclose certain investments, income, interests in real property and business positions, and who must disqualify themselves from making or participating in the making of governmental decisions affecting those interests.

A written comment period has been established commencing on December 27, 2019 and terminating on February 10, 2020. Any interested person may present written comments concerning the proposed Conflict of Interest Code no later than February 10, 2020 to the Hastings Campus Housing Finance Authority, 200 McAllister Street, San Francisco, California 94102, Attention: John K. DiPaolo, General Counsel. No public hearing on this matter will be held unless any interested person or his or her representative requests, no later than 15 days prior to the close of the written comment period, a public hearing.

Copies of the proposed Conflict of Interest Code and all of the information upon which it is based may be obtained from the Hastings Campus Housing Finance Authority, 200 McAllister Street, San Francisco, California 94102, Attention: John K. DiPaolo, General Counsel. Any inquiries concerning the proposed Conflict of Interest Code should be directed to 200 McAllister Street, San Francisco, California 94102, Attention: John K. DiPaolo, General Counsel, (415) 565-4787.

The adoption of such Conflict of Interest Code will not impose a cost or savings on any state agency, or school district that is required to be reimbursed under part 7 (commencing with Section 17500) of Division 4 of the Government Code; will not result in any nondiscretionary cost or savings to local agencies; will not result in any cost or savings in federal funding to the state; will not impose a mandate on local agencies or school districts; and will not have any potential cost impact on private persons or businesses including small businesses. The Authority must determine that no alternatives considered by the Authority would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.
