Justice Traynor,

I'm a reporter for United Press International in San Francisco who would like to talk to you about the National News Council, its plans, current status and relationship to date with the media it hopes to monitor.

I would appreciate a phone call or a note on when and where we could set up an interview. My number at UPI is 626-6300.

Justice Traynor,

I talked to you several weeks ago about an interview concerning the National News Council. At that time, you asked that I call you this week to set an appointment. I've called your office several times and visited it once without finding you in. Could you once more call me at 626-6300, at your convenience, so we can set a time and place to discuss the council? Thank you,

Duston Harvey
