TO: ALL PROPONENTS CIRCULATING INITIATIVES

SUBJECT: Minimum Number of Signatures Required/Initiative
Petition

Please note that the number of signatures required to qualify your initiative petition is governed by California Constitution article II, section 8(b) which provides:

An initiative measure may be proposed by presenting to the Secretary of State a petition that sets forth the text of the proposed statute or amendment to the Constitution and is certified to have been signed by electors equal in number to 5 percent in the case of a statute, and 8 percent in the case of an amendment to the Constitution, of the vote for all candidates for Governor at the last gubernatorial election. (emphasis added)

It appears therefore that under existing law the number of signatures required to qualify your proposed initiative will be based on a percentage of the votes cast for all gubernatorial candidates at the November 7, 1978 general election rather than the 1974 general election.

You will be advised of the specific number of valid signatures needed to qualify your proposed measure as soon as the official results of the November election are available.

Sincerely,

A handwritten signature in black ink, appearing to read "William N. Durley".

RE: Initiative signatures

The number of signatures required to place an initiative statute on the ballot is 346,122 for the years 1979, 1980, 1981, and 1982.

The number of signatures required for an amendment to the Constitution is 553,795.

These figures are based on the total votes cast for Governor in the November 7, 1978 General Election.

Re: Initiative Constitutional Amendment -
Unemployment and Disability Insurance

Dear Mrs. Eu:

Pursuant to the provisions of sections 3503 and 3513 of the Elections Code, you are hereby informed that on this day we mailed to Vernon W. Haas, as proponent, the following title and summary:

UNEMPLOYMENT AND DISABILITY INSURANCE. INITIATIVE CONSTITUTIONAL AMENDMENT. Eliminates state unemployment insurance and disability insurance taxes. Prohibits state from establishing any type of unemployment payments, levying any tax to finance unemployment or disability payments based on past employment, or operating any type of employment agency. Requires each employer to give each employee a one-time salary increase equal to amount employer would have paid into State Unemployment Insurance fund. Financial impact: Substantial but undeterminable effect on both state and local government. Would probably result in net increase in state costs, but net fiscal effect on local governments impossible to predict.

Enclosed herewith is a declaration of mailing thereof, and a copy of the proposed measure.

Honorable March Fong Eu

State Unemployment Insurance (SUI) and State Disability Insurance (SDI) taxes will be eliminated. The State shall pass no laws for the purpose of establishing any type of unemployment payments. The state shall not have the power to levy any tax for the purpose of supporting any unemployment payments or disability payments where the qualification for receiving payment is based on past employment, nor shall the state operate any type of employment agency.

Upon passage of this initiative into law, each employer will give each employee a one-time salary increase equal to State Unemployment Insurance (SUI) tax that would have been paid by the employer into the SUI fund. This amount will be calculated by taking the maximum yearly taxable salary multiplied by the company's SUI rate divided by the employee's annual salary or the company's SUI rate whichever is smaller.
