Enclosure

Date: July 24, 1981
File No.: SA81RF0012

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

LIFE. INITIATIVE CONSTITUTIONAL AMENDMENT. Adds provisions to Article I and Article III stating that the paramount right to life is vested in each human being from the moment of fertilization without regard to age, health, or condition of dependency. Fiscal impact on state or local governments: The net fiscal impact that adoption of this proposed initiative would have on state and local governments cannot be identified at this time. It could reduce Medi-Cal abortion costs. It could increase welfare and health care costs. The amounts of these cannot be reliably projected.

To the Honorable Secretary of State of California

We, the undersigned, registered, qualified voters of California, residents of Los Angeles County, hereby propose amendments to the constitution of California and petition the Secretary of State to submit the same to the voters of California for their adoption or rejection at the next succeeding general election or at any special statewide election held prior to that general election or otherwise provided by law.

The proposed amendments read as follows:

ARTICLE I

Declaration of Rights

Section 1. All people are by nature free and independent and have inalienable rights. Among these are enjoying and defending life and liberty, acquiring, possessing, and protecting property, and pursuing and obtaining safety, happiness, and privacy.

The paramount right to life is vested in each human being from the moment of fertilization without regard to age, health, or condition of dependency, the aforementioned right to privacy notwithstanding.

(adds last sentence)

.....
.....

ARTICLE III

State of California

Sec. 1. The State of California is an inseperable part of the United States of America, and the United States Constitution is the supreme law of the land except that the people of California recognize and affirm that the paramount right to life is vested in each human being from the moment of fertilization without regard to age, health, or condition of dependency.
