However, it is not likely that any initiative submitted after May 20, 1988 will be able to qualify for the November 8, 1988 General Election.

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

SCHOOLS AND CHILD CARE CENTERS. LIABILITY EXCLUSION. INITIATIVE STATUTE. Excludes all public schools and child care centers from all negligence liability suits. Includes private schools-centers which the Governor includes on a yearly basis. Permits Legislature to delete by a majority vote if public bond issues are made to pay any increases of negligence liability insurance above the rates and amount limit of 1984. Discusses rationale for measure. The Legislative Analyst and Director of Finance conclude after analysis of the proposed initiative that they are unable to estimate its fiscal impact on State and local government.

CCILL INITIATIVE

CHILD CARE INSURANCE LIABILITY LIMITATION

As a matter of good public policy all public schools and child care centers are excluded from all negligence liability suits; this includes such private schools-centers which the Governor includes on a yearly basis. This paragraph may be deleted by the legislature by majority vote, if public bond issues are made to pay any increases of negligence liability insurance above the rates and amount limit of 1984.

The rationale is that schools, etc., are extended homes and therefore have the added protection of the state, and that successful criminal prosecution by the government agencies would reinstate the claimants rights to sue.
