Attachment: POLITICAL REFORM ACT OF 1974 REQUIREMENTS

Date: June 17, 1992
File No.: SA 92 RF 0014

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

JUDICIARY. BUDGET. INITIATIVE CONSTITUTIONAL AMENDMENT.

Declares the people's intent to safeguard the independence of the judiciary against retaliation from the other branches of state government, by establishing a minimum annual funding level for the Judicial branch of government (excluding trial courts) at \$144.2 million, with \$15.8 million thereof designated as the minimum funding level for the Supreme Court. Declares the people's intent to permit reduction of this minimum funding level only upon 2/3 vote of the Legislature followed by 2/3 vote of the electorate. Restores any legislative cuts to the Judicial branch budget in fiscal years 1991-1992 through 1993-1994. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: Since the measure expresses the intent of the people and does not require the Governor or Legislature to adhere to its provisions, the measure has no direct state fiscal impact. To the extent the Legislature and Governor chose to adhere to the provisions of the measure, it could result in state costs potentially in the millions of dollars. These costs would be incurred in those instances in which the Legislature would otherwise have reduced appropriations for the support of the judicial branch.

To the Honorable Secretary of State of California:

We, the undersigned, registered, qualified voters of California, residents of Los Angeles County, hereby propose amendments to the California Constitution Relating to Court Budget Funding and petition the Secretary of State to submit the same to the voters of California for their adoption or rejection at the next succeeding general election or at any special statewide election held prior to the general election or otherwise provided by law. The proposed constitutional amendments read as follows:

THE INITIATIVE

It is the intent of the People of the State of California to maintain and protect the independence of the three branches of California state government. Those branches are as follows: the Executive Branch, the Legislative Branch and the Judicial Branch.

It is the intent of the People of the State of California to maintain and protect the independence of the Judicial branch of government by protecting the budget and financial integrity of the Judicial branch from retaliation, threats of retaliation or the appearance of retaliation by any other branch of California state government regarding any decisions or rulings that may be rendered by the California Supreme Court or the California Courts of Appeal on any case or matter before those courts.

It is the intent of the People of the State of California to set a minimum appropriation by the California Legislature for the Judicial branch of \$144.2 million for each and every fiscal year following the enactment of this initiative by the registered voters of the State of California. This shall be known as the Judicial branch funding floor level and is identical to the Judicial branch budget for fiscal 1991-92.

It is the intent of the People of the State of California that the Judicial branch budget funding floor level of \$144.2 million for each fiscal year shall only be reduced in the following manner: The Judicial branch budget funding floor level of \$144.2 million for each fiscal year shall only be modified or changed by a two-thirds vote of the California State Senate and the California State Assembly. Following the two-thirds vote of the California State Senate and the California State Assembly, the modification or change in the \$144.2 million Judicial branch funding floor level must be placed on the next California ballot that coincides with the election of the Governor of the State of California. The registered voters of the State of California will then by a two-thirds vote be able to change or modify the Judicial branch budget funding floor level of \$144.2 million for each fiscal year.

6150 BAY SHORE WALK
SUITE 406
LONG BEACH
CALIFORNIA 90803
(310) 824-4188

It is the intent of the People of the State of California that if any budget funding cuts are made to the Judicial branch budget by the California Legislature in fiscal 1991-92/1992-93/1993-94, then any such cuts will be restored dollar for dollar to the Judicial branch and any restored funds shall be placed into interest bearing accounts to be used as discretionary accounts by the California Supreme Court for the benefit of the Judicial branch. Any restored funds shall not be included in any Judicial branch budget allocation for any fiscal year. Any restored funding cuts shall be made available to the Judicial branch by the California Legislature immediately following the enactment of this initiative.

It is the intent of the People of the State of California that budget funding floor level of \$144.2 million shall be used by the Judicial branch as the budget for the California Supreme Court, the California Courts of Appeal, the California Judicial Council, and the California Commission on Judicial Performance.

It is the intent of the People of the State of California that the budget of the California Supreme Court shall have a funding floor level of \$15.8 million which is the Supreme Court budget for fiscal 1991-92. The \$15.8 million is to be drawn from the funding floor level of \$144.2 million budget of the Judicial branch.

It is the intent of the People of the State of California that the Judicial branch budget funding floor level of \$144.2 million be retained each and every fiscal year following the adoption of this initiative by the registered voters of the State of California.

It is the specific intent of the People of the State of California to protect the judiciary branch of government from retaliation or threats of retaliation by any other branch of California state government by the use of budgetary funding cuts or the threat of the use of budgetary funding cuts for any decision on any case or matter before the California Supreme Court or the California Courts of Appeal.

It is the intent of the People of the State of California that nothing in this initiative prevents the California State Legislature from appropriating funds for the Judicial branch in excess of the budget funding floor level of \$144.2 million in any fiscal year.

This entire measure shall take effect 30 days following the election in which this initiative appears on the ballot.

If any section of the initiative were to be declared unconstitutional by the Supreme Court, all the remaining sections would remain in effect.
