- No effect on state spending in most years. Minor state savings in some years.

FINAL VOTES CAST BY THE LEGISLATURE ON SCA 17 (PROPOSITION 50)
(RESOLUTION CHAPTER 127, STATUTES OF 2014)

Senate: Ayes 31 Noes 3
Assembly: Ayes 73 Noes 2

ANALYSIS BY THE LEGISLATIVE ANALYST

BACKGROUND

The California Legislature. Each year the Legislature votes to approve or reject proposed laws and passes a state budget. Voters elect 120 members to the two houses of the Legislature: 40 Senators and 80 Assembly Members. An independent commission—not the Legislature—sets salaries and benefits for legislators. Currently, the state pays most legislators a salary of about $100,000 each year. Legislators also receive health, dental, and vision benefits. They do not receive state retirement benefits.

Disciplining Legislators. When legislators are accused of wrongdoing, there are several ways that they can be disciplined. For example, they can be prosecuted and sentenced by a court if they violate criminal laws, or voters can attempt to remove them from office through a recall process. In addition, each house of the Legislature traditionally has had the ability to discipline its own members. Except for expulsion (described below), a majority vote of the house is required to take disciplinary actions. These disciplinary actions include the following:

- Expulsion. Expelling a legislator—ending his or her term of office—is the most severe disciplinary action available to the Assembly or Senate. The last time this happened was in 1905, when four Senators were found by the Senate to be taking bribes. After a legislator is expelled, he or she is no longer a Senator or Assembly Member. His or her state salary and benefits stop. Under the State Constitution, two-thirds of the Assembly or Senate must vote to expel one of its
members. This is the only disciplinary action specifically mentioned in the State Constitution.

- **Suspension.** Each house of the Legislature can also suspend one of its members. For example, in 2014 three Senators were accused of felonies and the Senate subsequently voted to suspend them. During the time they were suspended, the three Senators did not vote on bills or take other legislative actions. They remained in office, however, and kept receiving state salaries and benefits until they left the Senate. (Later in 2014, each of the three either resigned or left the Legislature at the scheduled end of their Senate terms.) This was the first time in history that California legislators had been suspended.

- **Other Disciplinary Actions.** In addition to expulsion and suspension, each house of the Legislature can take other, less severe disciplinary actions. These include censure (publicly criticizing a legislator).

**PROPOSAL**

**Constitutional Provisions About Suspensions.** This measure amends the State Constitution to add new provisions regarding the suspension of legislators. The provisions address the following issues:

- **Higher Vote Requirement to Suspend Legislators.** Currently, the Assembly or Senate can suspend one of its members with a majority vote. This measure requires a two-thirds vote of the Assembly or Senate in order to suspend one of its members.

- **Allows Suspending Legislators Without Pay and Benefits.** Currently, a suspended legislator keeps receiving a state salary and benefits. This measure allows the Assembly or Senate to stop a legislator’s pay and benefits during all or part of a suspension.

- **Other Requirements for Suspending Legislators.** This measure also (1) prohibits a suspended legislator from voting on laws or taking other actions as a legislator during a suspension, (2) requires the house to describe the reasons for a suspension, and (3) sets rules for when a suspension would end (either on a specific date set by the Assembly or Senate or after two-thirds of the Assembly or Senate votes to end the suspension).

**FISCAL EFFECTS**

Only in rare cases have California legislators been expelled or suspended. If such disciplinary penalties against legislators continue to be rare, this measure would have no effect on state or local finances in most years. In any future year when the Senate or Assembly suspended a legislator, this measure could lower the Legislature’s compensation costs, resulting in minor state savings.

VOTE YES ON PROPOSITION 50—ALLOW THE LEGISLATURE TO SUSPEND MEMBERS WITHOUT PAY

Proposition 50 would amend the state Constitution to give the California Legislature clear authority to suspend members of the Senate or the Assembly without pay.

The measure is a simple and straightforward way for lawmakers to hold their own colleagues accountable for breaching the public’s trust.

Currently, the California Constitution does not make it clear that the Legislature can suspend its members without pay. This issue came to light in 2014 when three state senators—all charged with criminal offenses—were suspended by a resolution of the Senate.

But those members continued to receive their salaries—more than $95,000 a year—because it was not clear that the Senate had the authority to suspend their pay, as well.

The incident frustrated lawmakers who wanted to hold their own members accountable, and angered the public, which saw it as another example of how lawmakers are shielded from the consequences of their own actions and play by a different set of rules than everyone else.

“It’s an aggravating situation that allows full pay for no work,” opined the San Francisco Chronicle, urging lawmakers to fix the loophole.

The Legislature took it upon themselves to do just that. Lawmakers wrote and passed—overwhelmingly and with strong bipartisan support—this constitutional amendment and placed it before voters for their approval.

The constitutional amendment would require the Assembly or the Senate to pass a resolution declaring why the member is being suspended. And to guard against political misuse, the resolution would require the higher threshold of a two-thirds vote for approval.

The National Conference of State Legislatures believes the power to discipline and expel members is inherent to a legislative body. That power has long been a staple of American democracy. It is common practice in most states.

The California Legislature has the power to expel members, and it should have the authority to suspend them without pay should the circumstances warrant.

Californians want and deserve a government that is worthy of their trust. Voters have passed many political reforms in the last decade to improve the governance in California, but more needs to be done to restore the public trust.

Proposition 50 is a commonsense step that would give lawmakers the authority to police their own, which is the right next step to holding all lawmakers accountable for serving the public interest.

That’s why fair-minded Californians support Proposition 50.

HELEN HUTCHISON, President,
League of Women Voters of California
JAMES P. MAYER, President/CEO,
California Forward
Proposition 50 is a scam brought to you by those that would turn a blind eye to a culture of corruption in our State Capitol! Voters should oppose this measure because: It perpetuates a culture of corruption in the State Capitol It creates taxation without representation Capitol insiders can use it to stifle political opposition PERPETUATES A CULTURE OF CORRUPTION IN THE STATE CAPITOL

In 2014 when this measure was put on the ballot, nearly one of every ten California State Senators were either convicted or under indictment on multiple felony criminal counts including perjury, bribery and even gun-running. While this was going on, the author of Proposition 50, then the President Pro-Tem of the State Senate, refused to consider expelling these scoundrels from their offices of public trust—even after one of them was convicted by a jury!

Headlines in the news included:
“Attempt to Expel Convicted State Senator Derailed”—Capital Public Radio, 2/27/14
“Wright Sentencing Delayed; Senators Refuse to Expel Convicted Democrat”—Breitbart News Network, 7/8/14

Prop. 50 is designed to make you feel like the Sacramento political class actually wants to take a tough position to root out corruption. What they are really doing is hiding from you the fact that they would not make the tough decision to expel a convicted felon—their buddy.

TAXATION WITHOUT REPRESENTATION

Prop. 50 also denies millions of Californians their basic rights. It imposes taxation without representation. When a legislator is “suspended” instead of expelled, that means that the citizens in that district has no one representing their interests in the State Legislature. It means no election can take place to replace that bad actor, because he or she still “occupies” the office.

CAPITOL INSIDERS CAN USE PROP. 50 TO STIFLE POLITICAL OPPOSITION

Perhaps the most disturbing part of this measure is that it places into the state constitution a permanent means by which the majority can stifle minority opinion in the legislature. It is not hard to see where if you are a vocal member of the Senate or Assembly, on an issue that is not popular with your colleagues that you could have to face the reality that they could vote to suspend—to take away your voice and your vote in the legislature!

VOTE NO ON PROP. 50!
Visit: Stopprop50.com

JOEL ANDERSON, Senator, 38th District
BRIAN JONES, Assembly Member, 71st District

This measure would give lawmakers the authority needed to discipline fellow Assembly Members and Senators—taking into consideration the nature of the allegation and other circumstances.

In severe cases, the Assembly and Senate already have the authority to expel a member. But expulsion is not always the just response. Even when a lawmaker is accused of a crime, given the presumption of innocence, it may not be appropriate to expel that person until all the facts are known and the case resolved.

In many such instances, lawmakers need the authority to respond in a reasonable and measured way—to do something short of expelling the member from the Legislature and something more than allowing that member to sit home and collect a taxpayer-funded paycheck.

Prop. 50 gives the Assembly or Senate the ability to suspend a member—and suspend the member’s pay.

The proposition sets a high bar to prevent lawmakers from unjustly punishing each other. It requires the house to publicly declare the reason for its action, and the resolution must be approved by a two-thirds vote—never easy and almost always requiring bipartisan support.

The measure does not inoculate the Legislature or lawmakers from corrupting influences, and more needs to be done to encourage ethical behavior, increase transparency, investigate complaints and enforce the law.

Prop. 50 gives lawmakers one more way to respond to ethical breaches by making it clear that when the circumstances warrant, lawmakers can be suspended without pay.

Elections in California

There are two different types of primary elections in California. The results of the primary election determine the candidates who will run in the general election in November. The types of primary elections are:

Presidential (Party-Nominated/Partisan Offices)

- Office on the ballot: U.S. President
- Who can vote: Only voters who registered with the same political party as the candidate (some parties allow voters who registered with no party preference to vote in their primary. Visit http://www.sos.ca.gov/elections/political-parties/no-party-preference for more information).
- Result: The candidate who moves on to the general election is the candidate nominated by their national political party and may not be the candidate that was elected by popular vote in the California primary election.

California Open Primary (Voter-Nominated Offices)

- Offices on the ballot: U.S. Senate, U.S. House of Representatives, statewide offices, and state legislative offices
- Who can vote: Any voter may vote for any one candidate in each contest, regardless of party preference.
- Result: The top-two candidates, regardless of party preference, who receive the most votes in each primary contest move on to the general election. After a top-two primary, a general election must be held even if one candidate receives a majority of the vote (at least 50 percent +1) and even if there is only one candidate in the primary election.
- California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires the following information to be printed in this guide.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.
Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party’s official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Top Contributors to Statewide Candidates and Ballot Measures

When a committee (a person or group of people who receive or spend money for the purpose of influencing voters to support or oppose candidates or ballot measures) supports or opposes a ballot measure or candidate and raises at least $1 million, the committee must report its top 10 contributors to the California Fair Political Practices Commission (FPPC). The committee must update the top 10 list when there is any change.

These lists are available on the FPPC website at http://www.fppc.ca.gov/transparency/top-contributors.html.

Loretta L. Sanchez | DEMOCRATIC

California needs an experienced and proven leader to tackle the full range of economic, educational and security challenges we face today. Our next U.S. Senator must have extensive legislative and national security experience and share the life experiences of working people. I do, and that’s why I am the best candidate for the job. I came from a union household of immigrant parents who struggled to provide for their seven children. I worked my way through college with the help of government and union grants, and the Anaheim Rotary Club paid for my MBA. I know the struggles of working families. My parents worked hard, valued education and are the only parents in American history to send two daughters to Congress. That’s why I have fought passionately in Congress for 20 years for education, tuition assistance, healthcare reform, immigration reform, gender equality, LGBT rights, worker’s rights, and environmental protection. I’ve also demonstrated independent judgment and courage when it mattered most: I voted against the Iraq War, the Patriot Act, and the bank bailouts, when few others did. As a senior member of the Armed Services and Homeland Security Committees, I’ve worked to ensure our troops are trained and equipped to win and cared for when they come home. I’m the only candidate with the national security experience necessary to keep America safe. As your Senator, I will fight for all Californians, so together we can have a stronger and more prosperous future. I humbly ask for your vote.

Duf Sundheim | REPUBLICAN

Economic uncertainty and terrorist attacks have created anxious times. We want action from our leaders; instead we get excessive partisanship and a divisive, ineffective government. I promise to be different. I will be bold, balanced. I will find achievable solutions. California once was the “Land of Dreams”; aspiring to compete, to achieve—and to win for ourselves and our families. But that dream is being suffocated by leaders that have taken extreme positions. The result is businesses, our neighbors and our children are leaving California. Our schools are ranked 41st in the country. Taxes keep rising, and the cost-of-living is through the roof. This bleeding has to stop. I have the experience and passion to fix this. I graduated from Stanford and Northwestern Law. I solve problems for a living. I am a federal court approved mediator and volunteer settlement judge. I was Chairman of the California Republican Party, overseeing the only successful recall of a governor, and the first to be re-elected; because we got stuff done. Leaders from every segment imaginable are supporting my vision to renew the “California Dream.” Former Secretary of State George Shultz, Majority Leader Kevin McCarthy, Cisco’s John Chambers, Fresno Mayor Ashley Swearengin, The California Small Businesses Association. I am guided by the Constitution. My priorities are jobs, national security, education and water. Please visit SundheimforSenate.com for policy details. Integrity. Common sense. Results. They’re my foundation—and the foundation upon which we will bring back our “Land of Dreams.”

**Massie Munroe | DEMOCRATIC**

My candidacy represents the United States Constitution, the only contract between the people of America and America’s government “Of the people, By the people, For the people” to be restored and strengthened in America and extended to the UN as a contract between all people of our world through US leadership and diplomacy. International bankers, multinational corporate leaders, militaries and police must all 100% obey, comply with the Constitution of the US/UN in the Spirit of Truth, Serving All in Peace. Transforming from the Industrial Technology Age to the new “Energy Technology Era” will saturate US job markets for the next 500 years. My campaign represents ending international bankers’ rule and their financial exploitation of nations; reestablishing people’s rule by creating a Citizen’s Bank to serve as America’s central bank; ending mind control slavery; ending non-consensual human experimentation; ending hunger, homelessness and violence; protecting earth, water, air, forests, oceans and animals; practicing Christ consciousness and implementing constitutional justice under the leadership of the US/UN. Through my national and international research and political activism, I identified “mind control slavery” by satellite energy technology weapons and social engineering programs that have been in continual development for the past 50 years and facilitated their “declassification”. As a result, I came under heavy sanctions that are ongoing. I request you, the voter, to rise above all untrue accusations that assail my good character and heart. See my evidence and review my service. Senator Bernie Sanders’ presidency is crucial for bringing this into reality.

Andrew Jackson Democrat. Our first 70 years; our county grew and flourished. We had no income tax. Motto: Manifest Destiny. Democrat Presidents; were most wise; Andrew Jackson balanced budget seven of eight years. Franklin Pierce vetoed a federal welfare bill. To reverse downward spiral of last 118 years: balance our budget, resist war, reduce costs, reduce taxes, repeal welfare and minimum wage so all can find jobs. Churches and Charities help needful. Reduce oppression: replace income tax with sales tax. Goal: Better life for all.

I was a partner in an international accounting firm, serving clients as a CPA, and have been a business consultant to various business entities. I have my attorney's license in Washington D.C. and was a pilot in the US Air Force. I understand the economic, financial and legal challenges in balancing budgets and effectively serve the public and Veterans. In addition I am an Eagle Scout. As a Commissioner and President of the California Public Utilities Commission I was in charge of proceedings that allowed residential and commercial customers to buy electricity directly from private and community public entities not privately owned utilities. I also led an initiative that increased competition and allowed businesses to select different telecommunication providers. If elected I have three objectives: 
First, reduce the size of government and balance the Federal budget each year by reducing the administrative work force in Federal agencies and not replacing retired employees. 
Second, resolve immigration issues by strengthening our borders, enforcing the terms of visas issued to foreign citizens and reducing all Federal funding to so-called sanctuary cities. 
Third, provide private sector jobs by reducing the income tax rate on large businesses to 5% for cash returned to the U.S. in exchange for new job creation. I was the Republican nominee for State Treasurer in 2014 and garnered almost 3.0 million votes; I know how to run a successful General Election. I look forward to representing California and would be honored to have your vote.

“We the People” are the foundation of this great Nation. As your U.S. Senator, I will work with California-based tech companies to develop a voter-driven platform that allows you to voice your opinion on every Bill before the Senate. Each Bill will be outlined with the pros, cons, benefits, risks, and cost analysis. You can cast your vote and the statewide results will be displayed in real time. I will vote in the Senate based on the majority vote of Californians—every single time. This will ensure that I am always accountable to and working in the best interest of the people of California. This secure voting portal will enable you to have your Voice heard and your Vote count on every Bill, not just once each election cycle. You can also specify your level of involvement, choosing the issues that are important to you. Whenever a Bill is coming before the Senate, you will be sent a text or email notification. Your vote will truly matter. This platform will make our government accountable to the people of California by challenging the status quo: Political Parties, PACs and Special Interests. I will put the power back in the hands of the People, where it belongs. I look forward to working with you for a better California. For more information or to endorse my donation-free campaign, please visit von4senate.org. Your Voice. Your Vote. Your Senator. Vote Von Hougo for U.S. Senate.

As a United States Marine, I served my country in combat during the Korean War. I later went on to serve our nation’s veterans as the Director of the USO in Vietnam and as an assistant to a Regional Director for the Veterans Administration. In 1958 I cofounded the Hugh O’Brien Young Adult Leadership Seminars which, since its inception, has benefited hundreds of thousands of young men and women. I have earned a Masters of Public Administration from Cal Lutheran University. I believe our two-party system is dysfunctional and does not understand the acronym “TEAM”—Together Everyone Achieves More”. Our country’s greatest resource is our young adults and students who must be taught “Not What to Think, But How to Think.” As The American Creed so eloquently states: “I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed, a democracy in a republic a sovereign Nation of many Sovereign States; a perfect union, one and inseparable: established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes. I therefore believe it is my duty to my country to love it, to support its Constitution, to obey its laws, to respect its flag, and to defend it against all enemies.” I would appreciate your consideration. PROPOSITION 50

This amendment proposed by Senate Constitutional Amendment 17 of the 2013–2014 Regular Session (Resolution Chapter 127, Statutes of 2014) expressly amends the California Constitution by amending a section thereof; therefore, existing provisions proposed to be deleted are printed in struck-out type and new provisions proposed to be added are printed in italic type to indicate that they are new.

PROPOSED AMENDMENT TO SECTION 5 OF ARTICLE IV

That Section 5 of Article IV thereof is amended to read:

SEC. 5. (a) (1) Each house of the Legislature shall judge the qualifications and elections of its Members and, by rolcall vote entered in the journal, two-thirds of the membership concurring, may expel a Member.

(2) (A) Each house may suspend a Member by motion or resolution adopted by rolcall vote entered in the journal, two-thirds of the membership concurring. The motion or resolution shall contain findings and declarations setting forth the basis for the suspension. Notwithstanding any other provision of this Constitution, the house may deem the salary and benefits of the Member to be forfeited for all or part of the period of the suspension by express provision of the motion or resolution.

(B) A Member suspended pursuant to this paragraph shall not exercise any of the rights, privileges, duties, or powers of his or her office, or utilize any resources of the Legislature, during the period the suspension is in effect.

(C) The suspension of a Member pursuant to this paragraph shall remain in effect until the date specified in the motion or resolution or, if no date is specified, the date a subsequent motion or resolution terminating the suspension is adopted by rolcall vote entered in the journal, two-thirds of the membership of the house concurring.

(b) No Member of the Legislature may accept any honorarium. The Legislature shall enact laws that implement this subdivision.

(c) The Legislature shall enact laws that ban or strictly limit the acceptance of a gift by a Member of the Legislature from any source if the acceptance of the gift might create a conflict of interest.

(d) No Member of the Legislature may knowingly accept any compensation for appearing, agreeing to appear, or taking any other action on behalf of another person before any state government board or agency. If a Member knowingly accepts any compensation for appearing, agreeing to appear, or taking any other action on behalf of another person before any local government board or agency, the Member may not, for a period of one year following the acceptance of the compensation, vote upon or make, participate in making, or in any way attempt to use his or her official position to influence an action or decision before the Legislature, other than an action or decision involving a bill described in subdivision (c) of Section 12 of this article, which he or she knows, or has reason to know, would have a direct and significant financial impact on that person and would not impact the public generally or a significant segment of the public in a similar manner. As used in this subdivision, “public generally” includes an industry, trade, or profession. However, a Member may engage in activities involving a board or agency which are strictly on his or her own behalf, appear in the capacity of an attorney before any court or the Workers’ Compensation Appeals Board, or act as an advocate without compensation or make an inquiry for information on behalf of a person before a board or agency. This subdivision does not prohibit any action of a partnership or firm of which the Member is a member if the Member does not share directly or indirectly in the fee, less any expenses attributable to that fee, resulting from that action.

(e) The Legislature shall enact laws that prohibit a Member of the Legislature whose term of office commences on or after December 3, 1990, from lobbying, for compensation, as governed by the Political Reform Act of 1974, before the Legislature for 12 months after leaving office.

(f) The Legislature shall enact new laws, and strengthen the enforcement of existing laws, prohibiting Members of the Legislature from engaging in activities or having interests which conflict with the proper discharge of their duties and responsibilities. However, the people reserve to themselves the power to implement this requirement pursuant to Article II.
Assistance for Voters with Disabilities

State and federal laws require polling places to be physically accessible to voters with disabilities. County elections officials inspect each site and often make temporary modifications for Election Day. Every person who works in a polling place is trained in election laws and voter rights, including the need to make reasonable modifications of policies and procedures to ensure equal access.

State and federal laws require that all voters be able to cast their ballots privately and independently. Each polling place must have at least one voting machine that allows all voters, including those who are blind or visually impaired, to cast a ballot without assistance. The voting machine permits voters to verify their vote choices and, if there is an error, allows voters to correct those choices before submitting their ballot.

Check your sample ballot

Your county sample ballot booklet will:

- Describe how persons with disabilities can vote privately and independently
- Display a wheelchair symbol if your polling place is accessible to voters with disabilities

At the polling place

If you need help marking your ballot, you may choose up to two people to help you. This person cannot be:

- Your employer or anyone who works for your employer
- Your labor union leader or anyone who works for your labor union

Curbside voting allows you to park as close as possible to the voting area. Elections officials will bring you a roster to sign, a ballot, and any other voting materials you may need, whether you are actually at a curb or in a car.

Contact your county elections office to see if curbside voting is available at your polling place.

Provisional Voting
If your name is not on the voter list at your polling place, you have the right to vote a provisional ballot.

What Is a Provisional Ballot?
A provisional ballot is a regular ballot that is placed in a special envelope prior to being put in the ballot box.

Who Casts a Provisional Ballot?
Provisional ballots are ballots cast by voters who:

- Believe they are registered to vote even though their names are not on the official voter registration list at the polling place.
- Vote by mail but did not receive their ballot or do not have their ballot with them, and instead want to vote at a polling place.

What Happens After You Cast a Provisional Ballot?
Your provisional ballot will be counted after elections officials have confirmed that you are registered to vote in that county and you did not already vote in that election.

You may vote a provisional ballot at any polling place in the county in which you are registered to vote, however, only the elections contests you are eligible to vote for will be counted.

How Can You Check The Status of Your Provisional Ballot?
Every voter who casts a provisional ballot has the right to find out from their county elections official if the ballot was counted and, if not, the reason why it was not counted.

Visit [http://www.sos.ca.gov/elections/ballot-status](http://www.sos.ca.gov/elections/ballot-status) for a list of county contacts and information on how to check the status of your provisional ballot.

Election Day Information
Polls are open from 7:00 a.m. to 8:00 p.m. on Tuesday, June 7. If you are in line before 8:00 p.m., you can still vote.

4 ways to find your polling place:
- Check the back cover of the sample ballot booklet your county elections official mailed to you
- Calling (800) 345-VOTE (8683)
- Online at [www.sos.ca.gov/elections/polling-place](http://www.sos.ca.gov/elections/polling-place)
