The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

CONSTITUTIONAL DEFINITION OF A PERSON. FERTILIZED HUMAN EGGS.

INITIATIVE CONSTITUTIONAL AMENDMENT. Extends constitutional protections of due process and equal protection to all fertilized human eggs by redefining “person” as including each and every human organism from the commencement of biological development. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: **Potentially significant net costs to state and local governments from the establishment of due process and equal protection rights for zygotes, embryos, and fetuses.**

INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO VOTERS

The Attorney General of California has prepared the following title and summary of the chief purposes and points of the proposed measure:

(Insert 100 word title and summary)

To the Honorable Secretary of State of California:

We the undersigned, registered, qualified voters of California, residents of the afore-described County (or City and County), on the signature page of this petition section, page of this petition section, hereby propose an amendment to the Constitution of the State of California relating to the definition of the term 'person' and petition the Secretary of State to submit the same to the voters of California for their adoption or rejection at the next succeeding general election or at any special statewide election held prior to the general election or otherwise provided by law. The proposed amendment reads as follows:

SECTION 1. Title

This measure shall be known and may be cited as the "California Equal Rights Amendment."

SECTION 2. Article I, Section 7 (c) is added to the California Constitution, to read:

(c) For the purpose of this section: The term "PERSON," as it is applied to all living human beings, applies to all living human beings from the beginning of their biological development as human beings (i.e., human organism), regardless of the means by which he or she was procreated, method of reproduction, age, race, sex, gender, physical well-being, function, size, level of development, environment, and/or degree of physical or mental dependency and/or disability.
