Dear Mr. Jameson:

Your initiative measure has qualified for the November general election ballot, and we must begin preparations for the printing of the ballot pamphlet. If you intend to submit an argument in favor of this initiative, this argument should be received in this office no later than July 10, 1972 in order to receive first priority.

Enclosed is a statement which is now required of every author of a ballot argument. This requirement was added by Chapter 978 of the 1971 Statutes. The completed form signed by each of the authors must be attached to the argument. No more than three signatures may appear with any argument printed in the ballot pamphlet. In case any argument is signed by more than three persons, the signatures of the first three shall be printed.

Very truly yours,
