POLICE AND LAW ENFORCEMENT FUNDING. CRIMINAL PENALTIES AND LAWS. INITIATIVE STATUTE.

- Requires minimum of \$965,000,000 each year to be allocated from state General Fund for police, sheriffs, district attorneys, adult probation, jails and juvenile probation facilities. Some of this funding will increase in following years according to California Consumer Price Index.
- Makes approximately 30 revisions to California criminal law, many of which cover gang-related offenses. Revisions create multiple new crimes and additional penalties, some with the potential for new life sentences.
- Increases penalties for violating a gang-related injunction and for felons carrying guns under certain conditions.

Summary of Legislative Analyst's Estimate of Net State and Local Government Fiscal Impact:

- Net increase in state costs that are likely within a few years to exceed \$500 million annually, primarily due to increasing state spending for various criminal justice programs to at least \$965 million, as well as for increased costs for prison and parole operations. These costs would increase by tens of millions of dollars annually in subsequent years.
- Potential one-time state capital outlay costs for prison facilities that could exceed \$500 million due to increases in the prison population.

ANALYSIS BY THE LEGISLATIVE ANALYST**BACKGROUND**

Criminal Justice Programs and Funds. State and local governments share responsibility for operating and funding various parts of California's criminal justice system. Generally, the state funds and operates prisons, parole, and the courts while local governments are responsible for community law enforcement, such as police, sheriff, and criminal prosecutions.

The state supports some criminal justice activities that have traditionally been a local responsibility. In 2007–08, the state allocated hundreds of millions of dollars for local criminal justice programs. This includes \$439 million for three such programs, the Citizens' Option for Public Safety, the Juvenile Justice Crime Prevention Act, and Juvenile Probation and Camps Funding.

The state also administers the State Penalty Fund which collects revenues from fees assessed to some criminal offenders. These funds are disbursed for various purposes, including restitution to crime victims and peace officer training. Also, a portion is transferred to the state General Fund.

Criminal Sentencing Laws. State laws define three kinds of crimes: felonies, misdemeanors, and infractions. A felony is the most serious type of crime. State laws specify the penalty options available for each crime, such as the maximum sentence of imprisonment in county jail or state prison. About 18 percent of persons convicted of a felony are sent to state prison. Other felons are supervised on probation in the community, sentenced

to county jail, pay a fine, or have some combination of these punishments.

The state operates 33 state prisons and other facilities that had a combined adult inmate population of about 171,000 as of May 2008. The costs to operate the California Department of Corrections and Rehabilitation in 2008–09 are estimated to be approximately \$10 billion. The average annual cost to incarcerate an inmate is estimated to be about \$46,000. The state prison system is currently experiencing overcrowding because there are not enough permanent beds available for all inmates. As a result, gymnasiums and other rooms in state prisons have been converted to house some inmates.

Supervision of Parolees and Sex Offenders. Offenders who have been convicted of a felony and serve their time in state prison are supervised on parole by the state after their release. State policies determine the number of parole agents and other staff necessary to supervise these parolees.

Proposition 83 (commonly referred to as "Jessica's Law") was approved by the voters in November 2006. Among other changes relating to sex offenders, the proposition requires that certain persons who have been convicted of a felony sex offense be monitored by a Global Positioning System (GPS) device while on parole and for the remainder of their lives. The proposition did not specify whether state or local governments would be responsible for paying for the GPS supervision costs after these offenders are discharged from state parole supervision.

PROPOSAL

This measure makes several changes to current laws relating to California’s criminal justice system. The most significant of these changes are described below.

Required Spending Levels for Certain New and Existing Criminal Justice Programs. The proposal creates new state-funded criminal justice programs. The measure also requires that funding for certain existing programs be at least continued at their 2007–08 levels. In total, the measure requires state spending of at least \$965 million for specified criminal justice programs beginning in 2009–10. This amount reflects an increase in funding of \$365 million compared to the amount provided in the 2007–08 Budget Act. Figure 1 summarizes the increase in state spending required by this measure, generally beginning in 2009–10.

Most of the new state spending required by this measure would be for local law enforcement activities, directed primarily to police, sheriffs, district attorneys, jails, and probation offices. The remaining new state spending would be provided for local juvenile programs, offender rehabilitation, crime victim assistance, and other state criminal justice programs. Specifically, the measure requires new state spending for such purposes as:

- Increased supervision of adult probationers by counties (\$65 million);
- Juvenile facility repair and renovation and the operation of county probation programs for youth (\$50 million);
- City law enforcement efforts to target various crimes, including violent, gang, and gun crimes (\$30 million);
- Prosecution of violent, gang, and vehicle theft crimes (\$25 million);
- The construction and operation of county jails (\$25 million);

- Assisting county sheriff and mid-size city police agencies to participate in county, regional, and statewide enforcement activities and programs (\$20 million);
- Programs to assist parolees in their reentry into communities (\$20 million).

The measure prohibits the state or local governments from using the new funding to replace funds now used for the same purposes. In addition, the measure requires that future funding for most of these new and existing programs be adjusted annually for inflation.

In addition, this measure redistributes the State Penalty Fund in a way that increases training support for peace officers, corrections staff, prosecutors, and public defenders, as well as various crime victims’ services programs, while eliminating the existing transfer of the money to the state General Fund. About \$14 million was transferred from the State Penalty Fund to the General Fund in 2007–08. The measure also requires that Youthful Offender Block Grant funds—provided by the state to house, supervise, and provide various types of treatment services to juveniles—be distributed to county probation offices and eliminates existing provisions that permit these funds to be provided directly to drug treatment, mental health, or other county departments.

This measure also creates a new state office in part to distribute public service announcements about crime rates and criminal justice statutes, such as the “Three Strikes and You’re Out” law, and establishes a commission to evaluate publicly funded early intervention and rehabilitation programs designed to reduce crime.

Increased Penalties for Certain Crimes. The measure increases criminal penalties for certain crimes, as well as creates some new felonies and misdemeanors. These changes to penalties include crimes related to

gang participation and recruitment, intimidation of individuals involved in court proceedings, possession and sale of methamphetamines, vehicle theft, removing or disabling a GPS device, and firearms possession. These and other proposed increases in penalties would likely result in more offenders being sentenced to state prison or jail for a longer period of time for the crimes specified in the measure. Figure 2 lists some examples of increased penalties and new crimes created by this measure.

Various Changes to State Parole Policies. The measure makes several changes to state parole policies. Among the most significant changes to state parole is a reduction in the average parolee caseload of parole agents from about 70 parolees per parole agent to 50 parolees per parole agent. The measure also requires the state to pay the cost of GPS monitoring of sex offenders after their discharge from parole supervision.

Figure 2
Proposition 6
Examples of Increased Penalties and New Crimes Created by This Measure

Gang Participation and Recruitment

- Gang members^a convicted of home robbery, carjacking, extortion, or threats to witnesses would be subject to life terms in prison.
- Adds additional five years in prison for gang recruitment if the person recruited was under the age of 14.
- Doubles penalties for inmates who commit a felony as part of a gang.
- Ten-year additional penalty for gang members who attempt to commit violent crimes.
- Failure to register as a gang member with local law enforcement would be a felony or misdemeanor, depending on the underlying conviction.

Methamphetamine Crimes

- Defines possession of methamphetamines as a felony. (This crime currently can be prosecuted as a misdemeanor or a felony.)^b
- Increases prison term for sale, possession for sale, and transportation of methamphetamines generally by one year.

Vehicle Theft

- Adds additional year in prison for car theft if theft was for purpose of selling the stolen car.
- Allows law enforcement authorities to impound vehicles for up to 60 days when a gun used in a crime is found in one.
- Generally prohibits probation for a conviction of car theft if the offender has multiple prior convictions for car theft.

Other Increased Penalties and New Crimes

- Up to four-year prison term for intimidating a witness, judge, or other person for participating in a court proceeding.
- Unauthorized removal of an offender's GPS device that is required under existing law or worn as a condition of probation or parole would be a misdemeanor or felony, depending on the underlying conviction.
- Ten additional years in prison for possession of a concealed weapon by certain convicted felons.

^a Generally as defined in Penal Code 186.22.

^b Measure does not change eligibility for some offenders for drug treatment diversion under Proposition 36.

Other Criminal Justice Changes. The measure makes several other changes to state laws affecting the criminal justice system. The more significant changes are summarized below:

- **Gang Databases.** The measure requires the state to develop two databases related to gang information for the use of law enforcement agencies.
- **Hearsay Evidence.** In general, the testimony of a witness is considered hearsay when it repeats someone's previous statement for the purpose of proving that the content of that statement is true. Hearsay evidence is not admissible in court except under limited circumstances. The measure would expand the circumstances in which hearsay evidence is admissible in court, especially in cases where someone has intimidated or otherwise tampered with a witness.
- **Gang Injunction Procedures.** The measure changes legal procedures to make it easier for local law enforcement agencies to bring lawsuits against members of street gangs to prevent them from engaging in criminal activities and makes violation of such court-ordered injunctions a new and separate crime punishable by fines, prison, or jail.
- **Criminal Background Checks for Public Housing Residents.** Among other state expenditures, this measure provides \$10 million annually for grants to governmental agencies responsible for enforcing compliance with public housing occupancy requirements. Agencies that accepted these funds would be required to conduct criminal background checks of all public housing residents at least once per year.
- **Temporary Housing for Offenders.** The measure permits counties with overcrowded jails to operate temporary jail and treatment facilities to house offenders. These temporary facilities would be required to meet local health and safety codes that apply to residences.
- **Release of Undocumented Persons.** This measure prohibits a person charged with a violent or gang-related felony from being released on bail or his or her own recognizance pending trial if he or she is illegally in the United States.
- **Juvenile Justice Coordinating Council Membership.** Each county that receives state funds for certain juvenile crime prevention grant programs currently must have a juvenile justice coordinating council that develops a comprehensive plan on how to provide services and supervision to juvenile offenders. This measure changes who may participate on the council. For example, counties would no longer be required

to include representatives of community-based substance abuse treatment programs.

- **Juveniles in Adult Court.** The measure would expand the circumstances under which juveniles would be eligible for trial in an adult criminal court, rather than the juvenile court system, for certain gang-related offenses.

FISCAL EFFECTS

This measure would have significant fiscal effects on both the state and local governments. The most significant fiscal effects are summarized in Figure 3 and discussed in more detail below. These fiscal estimates could change due to pending federal court litigation or budget actions.

Required Spending Levels for Certain New and Existing Criminal Justice Programs. The measure requires state spending for various state and local criminal justice programs totaling about \$965 million beginning in 2009–10, an increase of \$365 million compared to 2007–08. We estimate that this amount will increase by about \$100 million in about five years due to the measure’s provisions that require that state funding for certain programs be adjusted each year for inflation. In addition, the redistribution of the State Penalty Fund could result in about a \$14 million loss in state General Fund revenues compared to the 2007–08 budget.

Increased Penalties for Certain Crimes; Parole Policy Changes. Various provisions of this measure would result in additional state costs to operate the prison and parole

system. These costs are likely to grow to at least a couple hundred million dollars annually after a number of years. These increased costs are mainly due to provisions that increase penalties for gang, methamphetamines, vehicle theft, and other crimes, as well as provisions that decrease parole agent caseloads and require the state to pay for the cost of GPS monitoring for sex offenders discharged from parole supervision.

State Capital Outlay Costs. The provisions increasing criminal penalties for certain crimes could also result in additional one-time capital outlay costs, primarily related to prison construction and renovation. The magnitude of these one-time costs is unknown but potentially could exceed \$500 million.

State Trial Courts, County Jails, and Other Criminal Justice Agencies. This measure could have significant fiscal effects on state trial courts, county jails, and other criminal justice agencies, potentially resulting in both new costs and savings. The net fiscal effect of its various provisions is unknown as discussed further below.

On the one hand, the measure could result in increased costs to the extent that the additional funding provided for local law enforcement activities results in more offenders being arrested, prosecuted, and incarcerated in local jails or state prisons. There could also be additional jail costs for holding undocumented offenders arrested for violent or gang-related crimes who would no longer be eligible for bail or release on their own recognizance. The measure’s provision permitting the use of temporary jail and treatment facilities could result in additional costs to counties to purchase, renovate, and operate such temporary facilities. The magnitude of these costs would depend primarily on the number and size of new temporary facilities utilized by counties.

On the other hand, the measure provides some additional funding for prevention and intervention programs designed to reduce the likelihood that individuals will commit new crimes. To the degree that these programs are successful, they could result in fewer offenders being arrested, prosecuted, and incarcerated in local jails or state prisons than would otherwise occur. Additionally, the measure’s provisions increasing criminal penalties for specified crimes could reduce costs related to courts and other criminal justice agencies by deterring some offenders from committing new crimes.

Other Impacts on State and Local Governments. Other savings to the state and local government agencies could result to the extent that offenders imprisoned for longer periods under the measure’s provisions require fewer government services, or commit fewer crimes that result in victim-related government costs. Alternatively, there could be an offsetting loss of revenue to the extent that offenders serving longer prison terms would no longer become taxpayers under current law. The extent and magnitude of these impacts are unknown.

**Figure 3
Proposition 6
Summary of Fiscal Effects on State and Local Governments**

Fiscal Effects	Amount
Increase in net annual state costs primarily for the following: <ul style="list-style-type: none"> • Required spending of \$965 million for certain new and existing criminal justice programs, an increase of \$365 million. • Requirement that certain criminal justice program spending increase annually with inflation. • Increased penalties for certain crimes resulting in higher prison population. • Increased parole costs due to reduced caseload requirements. 	More than \$500 million within first few years, which would grow by tens of millions of dollars annually in subsequent years.
Additional one-time state capital outlay costs for prison facilities.	Potentially more than \$500 million.
Costs and savings to state trial courts, county jails, and other criminal justice agencies.	Unknown net fiscal impact.

★ ARGUMENT IN FAVOR OF PROPOSITION 6 ★

EVERY SHERIFF IN CALIFORNIA SUPPORTS THE SAFE NEIGHBORHOODS ACT—PROPOSITION 6

Proposition 6 is a comprehensive anti-gang and crime reduction measure that will bring more cops and increased safety to our streets, and greater efficiency and accountability to public safety programs.

Proposition 6 returns taxpayers' money to local law enforcement without raising taxes. It creates a special oversight commission to guard and protect tax dollars from waste and abuse.

The California District Attorneys Association, California Police Chiefs Association, Crime Victims United, and organizations representing more than 45,000 law enforcement officers back Proposition 6 because it's a balanced solution to California's crime problem.

CRIME, GANGS, AND VIOLENCE ARE TAKING OVER OUR STREETS

Between 1999 and 2006, while the national homicide rate declined, California's murder rate increased—accounting for nearly 500 more murders per year. In fact, California's murder rate has become the highest among the nation's five largest states.

Gangs are a leading cause of California's rising murder rate. According to the Attorney General, upwards of 420,000 gang members roam our streets. Convicted felons and gang members with firearms commit the majority of gun crimes, including the killing of peace officers.

IT'S TIME TO FIGHT BACK

Proposition 6 is a comprehensive plan that addresses crime and gang violence on many levels, including:

- Prohibiting bail to illegal immigrants who are charged with violent or gang crimes.
- Imposing a 10-year penalty increase on gang offenders who commit violent felonies.
- Creating more effective and accountable intervention programs to stop young kids from joining gangs and ruining their lives.
- Requiring convicted gang offenders to register with

local law enforcement each year for five years following conviction or their release from custody.

- Providing GPS tracking equipment for monitoring gang offenders, sex offenders, and violent offenders.
- Increasing penalties for manufacture and sale of methamphetamine to the same level as those for cocaine.
- Adding a 10-year sentence to dangerous felons who carry loaded or concealed firearms in public.
- Increasing penalties for multiple acts of graffiti.

CRIME VICTIMS AND LAW ENFORCEMENT AGREE—YES ON PROPOSITION 6

“Seven months ago I lost my husband to gang violence. A sheriff's deputy, he was shot while chasing a suspect. The person who murdered my husband was a 16-year-old gang member.

“This tragedy demonstrates the need for prevention and intervention so at-risk children do not turn to gangs and crime. Proposition 6 will do just this and give law enforcement the tools they need to keep all Californians safe.” — Thanh Nguyen, widow of Deputy Sheriff Vu Nguyen

“Proposition 6 is a comprehensive plan that will secure funding for law enforcement, stiffen penalties for the most dangerous criminals, and improve prevention programs.” — Robert Lopez, President, San Jose Police Officer Association

PROP. 6 WILL SPEND ONE BILLION DOLLARS ON UNPROVEN PROGRAMS WITH NO ACCOUNTABILITY FOR THE MONEY SPENT.

Vote No on Prop. 6. The proponents of Prop. 6 never mention that it will cost taxpayers \$1,000,000,000 just in the first year! That's \$1,000,000,000 not available for education, health care, fire protection, or proven public safety efforts.

There's plenty Prop. 6 will NOT do:

1. Prop. 6 will NOT guarantee that one more police officer is on the street.
2. Prop. 6 will NOT fund youth gang prevention programs that are already proven to work.
3. Prop. 6 will NOT allow local communities to decide how to invest their money to improve public safety.

But Prop. 6 will definitely spend more money on prisons and jails.

Prop. 6 will slow down our courts with unnecessary and costly new laws.

And Prop. 6 will create more bureaucracy that duplicates programs we already have.

Virtually every criminal justice study of gang problems and high crime communities calls for a coordinated balanced approach that includes community service workers, mental health, drug and alcohol services along with tough enforcement of the law.

Unfortunately, Prop. 6 ignores these facts, and instead focuses on the symptoms, not the causes.

We cannot afford another costly ballot measure that doesn't solve the problem. Vote NO on Prop. 6!

★ **ARGUMENT AGAINST PROPOSITION 6** ★

This November’s ballot is filled with propositions that sound good on first reading, but in reality will savage California’s economy without delivering what they promise. Prop. 6 is a good example.

PROP. 6 REQUIRES MASSIVE NEW SPENDING

As California faces the worst budget crisis in history, Prop. 6 worsens the crisis by spending almost a billion dollars each year on ineffective programs that aren’t proven to reduce crime. Programs that threaten funding for schools, foster care, after school programs, fire protection, and effective public safety efforts.

PROP. 6 INCREASES STATE SPENDING ON PRISONS AND THREATENS FUNDS FOR OTHER CRITICAL PROGRAMS

Prop. 6 would require construction of new prison facilities; a cost which could exceed half a billion dollars. *California already spends more than 4 times more per prisoner than per public school student.*

“Proposition 6 would spend billions to put children in jail and keep them there longer for ‘crimes’ like failing to update a current home address. More 14-year-old children would be tried as adults. Those billions could be spent on schools and children’s healthcare . . . programs proven to reduce crime.” — Marty Hittelman, President, California Federation of Teachers

PROP. 6 WASTES MONEY ON INEFFECTIVE PROGRAMS WITHOUT ACCOUNTABILITY

Prop. 6 spends a billion dollars each year on programs with no real oversight or accountability. These programs would be selected without a competitive process or cost-benefit analysis. The state would then have to automatically renew funding each year, whether or not the programs are working.

Under Prop. 6, the largest increase in funding is for “Citizens Options for Public Safety,” a program reviewed by the state’s independent Legislative Analyst and found to have “no definable goals” and “no identifiable results.” *Prop. 6 would waste billions on programs that are unproven.*

PROP. 6 DISRUPTS EXISTING CRIME PREVENTION EFFORTS

The proponents argue that this raid on your tax dollars is needed to fight gangs. *They ignore the fact that the Governor and Legislature have already taken firm steps to combat gangs and crime.* Last year, Governor Schwarzenegger launched “CalGRIP,” directing state funds to law enforcement and community anti-gang programs throughout the state.

CalGRIP applies a balanced approach, attacking gangs with prevention, intervention, suppression, and incarceration. Prop. 6 would completely disrupt the current progress being made in California.

PROP. 6 WON’T INCREASE PUBLIC SAFETY

We agree that the state can and should do more to prevent crime and increase public safety. But that’s not what Prop. 6 does. Prop. 6 pours tax dollars into unproven programs with no real oversight or accountability, robbing effective anti-crime programs of funding.

PROP. 6 WOULD THREATEN SCHOOL FUNDING

Prop. 6 doesn’t pay for itself so there’ll be less money for schools, healthcare, and other vital programs.

Visit www.votenoprop6.com to see a list of groups opposing Prop. 6, including former law enforcement officials, taxpayer and children’s groups, faith leaders, and civil rights groups.

★ **REBUTTAL TO ARGUMENT AGAINST PROPOSITION 6** ★

Government’s first priority is the safety of its citizens. Yet our state budget does not do enough to keep our neighborhoods safe from gangs, drug dealers, and violent criminals.

The Legislature consistently shortchanges local law enforcement’s fight to rid neighborhoods of violent gangs. California’s public safety spending is nearly 14% less than it was in 2003, in today’s dollars.

YES ON 6—RETURNS TAXPAYERS’ MONEY TO LOCAL LAW ENFORCEMENT

Proposition 6 asks voters to prioritize 1% of California’s General Fund Budget for local law enforcement without raising taxes.

“The Safe Neighborhoods Act is a sound public safety investment. It measures results in gang and crime prevention with a refreshing level of accountability seldom seen in government.” — Lew Uhler, President, The National Tax Limitation Committee

YES ON 6—SAFER SCHOOLS FOR OUR CHILDREN

Proposition 6 keeps our children safe, while education will continue to receive full funding.

The ATTORNEY GENERAL reported in 2007, that “the constant presence of . . . gangs make it difficult for students

to travel to and from school safely. Gangs threaten, intimidate and recruit; they shoot, rob, and assault students near school entrances . . . at bus stops.”

“Proposition 6 helps keep gangs, drugs, and violence out of our schools—ensuring a safe learning environment for our children.”

QUICK-REFERENCE GUIDE

PROP 5 NONVIOLENT DRUG OFFENSES, SENTENCING, PAROLE AND REHABILITATION. INITIATIVE STATUTE.

SUMMARY

Put on the Ballot by Petition Signatures

Allocates \$460,000,000 annually to improve and expand treatment programs. Limits court authority to incarcerate offenders who commit certain drug crimes, break drug treatment rules or violate parole. Fiscal Impact: Increased state costs potentially exceeding \$1 billion annually primarily for expansion of offender treatment programs. State savings potentially exceeding \$1 billion annually on corrections operations. Net one-time state prison capital outlay savings potentially exceeding \$2.5 billion.

WHAT YOUR VOTE MEANS

YES A YES vote on this measure means: Drug treatment diversion programs available primarily for persons charged or convicted for a nonviolent drug possession crime would be expanded. Some parole violators would be diverted from state prison and parole terms would be reduced for others. New rehabilitation programs would be expanded for offenders before and after they leave prison. Some inmates might receive additional credits to reduce the time they stay in state prison. Possession of less than 28.5 grams of marijuana would have a lesser penalty than under current law.

NO A NO vote on this measure means: State and local governments would determine whether to expand existing drug treatment diversion programs in the future. State correctional officials would continue to have the discretion to return various categories of parole violators to state prison, and parole terms would remain at three years for most parolees. The state would not be obligated to further expand rehabilitation programs for inmates, parolees, and other offenders. The current rules for awarding credits to inmates to reduce their time in prison would continue. The penalty for possession of less than 28.5 grams of marijuana would remain unchanged.

ARGUMENTS

PRO Proposition 5 safely reduces prison overcrowding. For youth, it creates drug treatment programs. None now exist. For nonviolent offenders and parolees, it expands rehabilitation. Prop. 5 enlarges successful, voter-approved Proposition 36 (2000), providing treatment with close supervision and strict accountability for nonviolent drug offenders. Prop. 5 saves \$2.5 billion.

CON Shortens parole for methamphetamine dealers from 3 years—to 6 months. Loophole allows defendants accused of child abuse, domestic violence, vehicular manslaughter, and other crimes to effectively escape prosecution. Strongly opposed by Mothers Against Drunk Driving (MADD). Establishes new bureaucracies. Reduces accountability. Could dramatically increase local costs and taxes.

PROP 6 POLICE AND LAW ENFORCEMENT FUNDING. CRIMINAL PENALTIES AND LAWS. INITIATIVE STATUTE.

SUMMARY

Put on the Ballot by Petition Signatures

Requires minimum of \$965,000,000 of state funding each year for police and local law enforcement. Makes approximately 30 revisions to California criminal law. Fiscal Impact: Increased net state costs exceeding \$500 million annually due to increasing spending on criminal justice programs to at least \$965 million and for corrections operating costs. Potential one-time state prison capital outlay costs exceeding \$500 million.

WHAT YOUR VOTE MEANS

YES A YES vote on this measure means: The state would be required to increase spending for specified state and local criminal justice programs to at least \$965 million in 2009–10, an increase of \$365 million, growing in future years. Sentences also would be increased for certain crimes—such as crimes related to gangs, methamphetamine sales, and vehicle theft—resulting in more offenders being sent to state prison and for longer periods of time. The measure would make various other criminal justice changes related to such things as parole agent caseloads and use of hearsay evidence.

NO A NO vote on this measure means: The state Legislature and Governor would continue to have their current authority over the state funding levels provided for specified criminal justice programs. Criminal penalties would not be increased. Parole caseloads and use of hearsay evidence would remain unchanged.

ARGUMENTS

PRO Every California Sheriff supports Proposition 6. YES on 6 is a comprehensive anti-gang and crime reduction measure that will bring more cops and increased safety to our streets. It returns taxpayers' money to local law enforcement without raising taxes and will increase efficiency and accountability for public safety programs.

CON Proposition 6 WILL take \$1,000,000,000 from schools, healthcare, fire protection, and proven public safety programs. Prop. 6 WON'T guarantee more police on the street and WON'T even fund proven gang prevention programs. Prop. 6 WILL spend more money on prisons and jails. Vote NO on Prop. 6!

SEC. 2. FINDINGS AND DECLARATIONS

(a) The people of the State of California find and declare that state government has no higher purpose or more challenging mandate than the protection of our families and our neighborhoods from crime.

(b) Almost every citizen has been, or knows someone who has been, victimized by crime.

(c) Although crime rates have fallen substantially since the early 1990s, there have been some disturbing increases in the last few years in several categories of crime. According to the Federal Bureau of Investigation, there were 477 more homicides in California in 2006 than there were in 1999, a period during which homicides and homicide rates declined in many other states. In addition, the California Department of Justice has reported that there were 74,000 more vehicle thefts in 2006 than in 1999 and that the number of robberies in our state jumped by over 7,500 between 2005 and 2006. More needs to be done to reduce crime and keep our communities safe.

(d) Gangs are a large part of the reason why California has not fared as well as many other states in recent years in terms of decreasing crime rates. Street gangs are largely responsible for increases in California homicides in recent years. Many gangs involve juveniles.

(e) Previously convicted felons and gang members commit the vast majority of gun crimes, including the killing of peace officers. Gangs have compromised our criminal justice system, routinely threatening and assaulting victims, witnesses, and even judges. It is essential that state laws and resources target these types of offenders.

(f) The proliferation of methamphetamine has created a multitude of crime problems, driving recent increases in vehicle and identity theft. Now the illegal drug of choice, methamphetamine is often sold by street gangs and, unlike many other drugs, is produced here in California. The effects of the drug are devastating on users and communities where its use is widespread.

(g) Our state adds several hundred thousand people to its population each year and must commit resources necessary to support increasing demands on criminal justice personnel and infrastructure. California’s law enforcement personnel, programs, technology, and infrastructure have not kept pace. In fact, the resources available to California law enforcement agencies are generally not as great as those found in communities in other states. According

to the U.S. Department of Justice, in 2004, 35 states had more sworn officers per 100,000 residents than California.

(h) Unfortunately, our Legislature has failed to address these problems in a comprehensive way. Programs to prevent crime and rehabilitate offenders are inadequate and unaccountable to the public. Penalties for certain crimes are not severe enough to deter. Enforcement efforts and deterrence programs that do work are often so erratically funded they cannot be sustained. Victims of crime are not afforded adequate information, protection, and support in the criminal justice system. In 2007, the State Senate abdicated its responsibility altogether, refusing to pass legislation that enhances criminal penalties.

(i) These conditions are unacceptable. Californians have used their constitutionally reserved power of initiative to enact comprehensive criminal justice reform in the past and it is time for us to do so again. Early intervention reduces crime and gang activity. Tougher criminal penalties reduce the number of crime victims.

SEC. 3. STATEMENT OF PURPOSE

In order to make our neighborhoods safe and reduce the number of crime victims, the people of the State of California hereby enact a comprehensive reform of our criminal justice laws in order to:

- (a) Improve programs to prevent crimes;
- (b) Enhance public involvement and public accountability;
- (c) Increase punishment to incapacitate criminals and deter crime;
- (d) Protect victims of crimes from abuse and ensure that they are treated with dignity at all stages of the criminal justice process; and
- (e) Provide supplemental and sustainable funding for law enforcement, crime prevention, and victim programs.

SEC. 4. INTERVENTION

SEC. 4.1. Title 12.6 (commencing with Section 14260) is added to Part 4 of the Penal Code, to read:

TITLE 12.6. OFFICE OF PUBLIC SAFETY EDUCATION AND INFORMATION

14260. (a) There is hereby established the Office of Public Safety Education and Information.

(b) The primary objectives of the office are to deter crime, support crime victims, encourage public cooperation with law enforcement, and administer grant programs that pursue these goals. These objectives shall be met in part through public service announcements disseminated by the most efficient means including television, radio, the Internet, and the office’s own Web site.

(c) Public disclosures shall include, but not be limited to, information regarding the following themes and state laws: “Use a Gun and You’re Done,” “Three Strikes,” and “Jessica’s Law.” In addition, disclosures will incorporate comparative crime rates by specific offense, including homicide, rape, robbery, burglary, and vehicle theft; incarceration rates; and prison demographics that explain by offense the makeup of inmate population. Comparative information regarding crime and criminal justice resources may include year-to-year as well as state-to-state comparisons. Public disclosures shall also include the relative efficacy of programs to deter, educate, and rehabilitate, including, but not limited to, the disclosure of recidivism rates and subsequent arrests and convictions.

(d) The office shall maintain a publicly accessible Web site that shall include at least three discrete features:

(1) A public safety information page that shall include general information regarding the criminal justice system, current crime activity, safety advice, statistics, changes in the law, and links to related Web sites, including the California Department of Justice and the Federal Bureau of Investigation.

(2) A statewide neighborhood watch page, known as “Cal Watch,” providing informational support for and linking with local neighborhood watch programs and assisting communities, sheriffs, and police departments wishing to create new neighborhood watch programs.

(3) A crime victim information and support page shall link state and local programs that assist victims through the criminal justice process and provide services and reimbursement, including medical expenses, rape counseling, lost wages, and victim-paid rewards.

(e) The sum of twelve million five hundred thousand dollars (\$12,500,000) is hereby appropriated from the General Fund to the Office of Public Safety Education and Information for the 2009–10 fiscal year and annually thereafter, adjusted for cost of living changes pursuant to the California Consumer Price Index, for the purpose of augmenting resources of district attorneys and law enforcement agencies employed to assist victims or comply with victim notification requirements under the California Constitution or consistent statutory measures.

(1) Twenty percent of the amount annually appropriated shall be distributed on a pro rata basis to participating county sheriffs' departments which maintain the Victim Information and Notification Everyday (VINE) program.

(2) Eighty percent of the amount annually appropriated shall support grant programs awarded to county district attorneys, sheriffs, and police departments in order to disseminate victim rights information and to assist victims of crime in gaining access to protective services, counseling, and loss reimbursement. Specific program and grant application requirements shall be promulgated by the office no later than March 30, 2009, and may be amended periodically. Applicant agencies may apply no later than June 15 preceding the fiscal year during which grant funds are sought.

(f) The Governor shall appoint an executive officer and staff, as reasonably necessary to implement the work of the office.

(g) The office shall work with state, local, and federal agencies to maximize public safety resources, secure matching funds, eliminate duplicative efforts, and help craft better public safety policies and practices.

SEC. 4.2. Section 13921 is added to the Government Code, to read:

13921. (a) There is hereby established the California Early Intervention, Rehabilitation, and Accountability Commission for the purpose of evaluating publicly funded programs designed to deter crime through early intervention, or reduce recidivism through rehabilitation, and to disclose those findings to the public. The commission shall adhere to the principle that limited public resources are best directed to programs that help limit incarceration through deterrence and focused rehabilitation rather than early release without meaningful accountability.

(b) The commission's long-term goal is to help identify and productively intervene with at-risk populations prior to incarceration, and, for those subject to incarceration, to identify programs and offenders with the greatest rehabilitative potential, so the most successful programs can be replicated.

(c) The commission is authorized to propose standards of accountability for publicly funded program providers and participants, make recommendations to continue, supplement, or decrease funding, and highlight favorable or unfavorable elements of the programs reviewed.

(d) The commission shall report annually to the Joint Legislative Audit Committee and the Governor regarding the expenditures and efficacy of publicly funded programs.

(e) All publicly funded early intervention programs shall have a clearly defined at-risk target population and identify participants so that participants' subsequent criminal involvement, if any, can be compared to similarly situated control groups.

(f) All publicly funded rehabilitation programs involving criminal offenders, including juveniles, shall be designed to help create a plan for the offenders' successful integration or reintegration into the community. Accordingly, all such programs shall have clearly defined goals and require the offender to develop skills to find employment, locate housing, overcome addiction, and/or develop a plan with the potential for successful reintegration.

(g) All recipient programs, including those directed toward early intervention and education, shall file an annual statement with the commission detailing staffing, curriculum, and program participation. Copies of annual statements to other granting authorities will be sufficient unless the commission requires additional information.

(h) The commission shall be comprised of nine members, consisting of three appointees of the Governor, including the chair; two Members of the Senate, one appointed by the Rules Committee and one by the Minority Leader; two Members of the State Assembly, one appointed by the Speaker and one by the Minority Leader; a retired judge appointed by the Chief Justice of the California Supreme Court; and the Attorney General or his or her designee. The members of the commission shall not receive compensation, but shall be reimbursed only for reasonable commission-related expenses.

(i) The Governor shall appoint an executive officer, who shall hire necessary staff to conduct research and administer to the commission, including staff to conduct periodic or random audits of all publicly funded programs, subject to budgetary limitations of the commission.

(j) Every early intervention or rehabilitation program funded in whole or in part with public funds shall make its physical facilities and financial records available to the commission as a condition of public funding.

(k) The commission may evaluate any early intervention, education, or rehabilitation program, juvenile or adult, public or private, for the purposes of comparative study.

SEC. 4.3. Section 749.22 of the Welfare and Institutions Code is amended to read:

749.22. To be eligible for this grant, each county shall be required to

establish a multiagency juvenile justice coordinating council that shall develop and implement a continuum of county-based responses to juvenile crime. The coordinating councils shall, at a minimum, include the chief probation officer, as chair, and one representative each from the district attorney's office, the public defender's office, the sheriff's department, the board of supervisors, the department of social services, the department of mental health, a community-based drug and alcohol program, a city police department, the county office of education or a school district, and an at-large community representative. In order to carry out its duties pursuant to this section, a coordinating council shall also include representatives from nonprofit community-based organizations providing services to minors. The board of supervisors shall be informed of community-based organizations participating on a coordinating council. The coordinating councils shall develop a comprehensive, multiagency plan that identifies the resources and strategies for providing an effective continuum of responses for the prevention, intervention, supervision, treatment, and incarceration of male and female juvenile offenders, including strategies to develop and implement locally based or regionally based out-of-home placement options for youths who are persons described in Section 602. Counties may utilize community-punishment plans developed pursuant to grants awarded from funds included in the 1995 Budget Act to the extent the plans address juvenile crime and the juvenile justice system or local action plans previously developed for this program. The plan shall include, but not be limited to, the following components:

(a) An assessment of existing law enforcement, probation, education, mental health, health, social services, drug and alcohol and youth services resources which specifically target at-risk juveniles, juvenile offenders, and their families.

(b) An identification and prioritization of the neighborhoods, schools, and other areas in the community that face a significant public safety risk from juvenile crime, such as gang activity, daylight burglary, late-night robbery, vandalism, truancy, controlled substance sales, firearm-related violence, and juvenile alcohol and drug use within the council's jurisdiction.

(c) A local action plan (LAP) for improving and marshaling the resources set forth in subdivision (a) to reduce the incidence of juvenile crime and delinquency in the areas targeted pursuant to subdivision (b) and the greater community. The councils shall prepare their plans to maximize the provision of collaborative and integrated services of all the resources set forth in subdivision (a), and shall provide specified strategies for all elements of response, including prevention, intervention, suppression, and incapacitation, to provide a continuum for addressing the identified male and female juvenile crime problem, and strategies to develop and implement locally based or regionally based out-of-home placement options for youths who are persons described in Section 602.

(d) Develop information and intelligence-sharing systems to ensure that county actions are fully coordinated, and to provide data for measuring the success of the grantee in achieving its goals. The plan shall develop goals related to the outcome measures that shall be used to determine the effectiveness of the program.

(e) Identify outcome measures which shall include, but not be limited to, the following:

(1) The rate of juvenile arrests in relation to the crime rate.

(2) The rate of successful completion of probation.

(3) The rate of successful completion of restitution and court-ordered community service responsibilities.

(f) No person employed by or representing the interest of any private entity, including a charitable nonprofit organization which has received or may receive grant funding for providing services for juvenile or adult offenders or at-risk populations, may serve on a coordinating council.

SEC. 4.4. Section 1951 of the Welfare and Institutions Code is amended to read:

1951. (a) There is hereby established the Youthful Offender Block Grant Fund.

(b) Allocations from the Youthful Offender Block Grant Fund shall be used to enhance the capacity of county probation, mental health, drug and alcohol, and other county departments to provide or secure appropriate rehabilitative and supervision services to youthful offenders subject to Sections 731.1, 733, 1766, and 1767.35. Counties, in expanding the Youthful Offender Block Grant allocation, shall provide all necessary services related to the custody and parole of the offenders.

(c) The county of commitment is relieved of obligation for any payment to the state pursuant to Section 912, 912.1, or 912.5 for each offender who is not committed to the custody of the state solely pursuant to subdivision (c) of

Section 733, and for each offender who is supervised by the county of commitment pursuant to subdivision (b) of Section 1766 or subdivision (b) of Section 1767.35. *Savings from this provision shall be added to the Youthful Offender Block Grant Fund and directed to the probation department as specified in subdivision (b).*

(d) *There is hereby continuously appropriated from the General Fund ninety-two million five hundred thousand dollars (\$92,500,000) or the amount in Section 1953, 1954, or 1955, whichever is greater, for the 2009–10 fiscal year and each year thereafter adjusted for cost of living changes annually pursuant to the California Consumer Price Index. This amount shall be distributed in accordance with the formula in Section 1955 to assist counties for the expense of housing juvenile offenders.*

SEC. 4.5. Section 30062.2 is added to the Government Code, to read:

30062.2. (a) *There is hereby established the Juvenile Probation Facility and Supervision Fund.*

(b) *The sum of fifty million dollars (\$50,000,000) is hereby appropriated from the General Fund to the Juvenile Probation Facility and Supervision Fund for the 2009–10 fiscal year and annually each year thereafter, adjusted for cost of living changes pursuant to the California Consumer Price Index, to be allocated by the Controller to counties and deposited in each county's SLESF in the same ratios authorized under paragraph (1) of subdivision (b) of Section 30061 for juvenile facility repair and renovation, juvenile deferred entry of judgment programs, and intensified juvenile or young adult (under age 25) probation supervision.*

SEC. 5. PROTECTION AND SUPPORT FOR VICTIMS

SEC. 5.1. Section 240 of the Evidence Code is amended to read:

240. (a) Except as otherwise provided in subdivision (b), “unavailable as a witness” means that the declarant is any of the following:

(1) Exempted or precluded on the ground of privilege from testifying concerning the matter to which his or her statement is relevant.

(2) Disqualified from testifying to the matter.

(3) Dead or unable to attend or to testify at the hearing because of then existing physical or mental illness or infirmity.

(6) *The declarant is present at the hearing and refuses to testify concerning the subject matter of the declarant's statement despite an order from the court to do so.*

(b) A declarant is not unavailable as a witness if the exemption, preclusion, disqualification, death, inability, or absence of the declarant was brought about by the procurement or wrongdoing of the proponent of his or her statement for the purpose of preventing the declarant from attending or testifying.

(c) Expert testimony ~~which~~ *that* establishes that physical or mental trauma resulting from an alleged crime has caused harm to a witness of sufficient severity that the witness is physically unable to testify or is unable to testify without suffering substantial trauma may constitute a sufficient showing of unavailability pursuant to paragraph (3) of subdivision (a). As used in this section, the term “expert” means a physician and surgeon, including a psychiatrist, or any person described by subdivision (b), (c), or (e) of Section 1010.

The introduction of evidence to establish the unavailability of a witness under this subdivision shall not be deemed procurement of unavailability, in absence of proof to the contrary.

SEC. 5.2. Section 1390 is added to the Evidence Code, to read:

1390. (a) *Evidence of a statement is not made inadmissible by the hearsay rule if the statement is offered against a party who has engaged or acquiesced in intentional criminal wrongdoing that has caused the unavailability of the declarant as a witness.*

(b) (1) *The party seeking to introduce a statement pursuant to subdivision (a) shall establish, by a preponderance of the evidence, that the elements of subdivision (a) have been met at a foundational hearing.*

(2) *Hearsay evidence, including the hearsay evidence that is the subject of the foundational hearing, is admissible at the foundational hearing. However, a finding that the elements of subdivision (a) have been met shall not be based solely on the uncontroverted hearsay statement of the unavailable declarant, and shall be supported by independent corroborative evidence.*

(3) *The foundational hearing shall be conducted outside the presence of the jury. However, if the hearing is conducted after a jury trial has begun, the judge presiding at the hearing may consider evidence already presented to the*

jury in deciding whether the elements of subdivision (a) have been met.

(c) *If a statement to be admitted pursuant to this section includes a hearsay statement made by anyone other than the declarant who is unavailable pursuant to subdivision (a), that other hearsay statement is inadmissible unless it meets the requirements of an exception to the hearsay rule.*

SEC. 5.3. Section 13921.5 is added to the Government Code, to read:

13921.5. (a) *There is hereby established the Crimestopper Reward Reimbursement Fund, to be administered by the board.*

(b) *Allocations from the Crimestopper Reward Reimbursement Fund shall be used to provide reimbursement for rewards offered and paid for information in felony cases.*

(c) *Reimbursement in amounts not to exceed five thousand dollars (\$5,000) per claim may be paid to eligible claimants but shall not exceed the actual reward paid.*

(d) *Reward reimbursement claims shall be paid upon proof that the underlying reward was offered and paid for evidence that actually led to arrest or conviction verified by the arresting or prosecuting agency.*

(e) *Qualified claimants for reimbursement include the victim of the underlying felony or his or her family, or a charitable or nonprofit organization.*

(f) *The board may set reward limits below the maximum, may set discrete limits for different crime classifications, may increase the class of eligible claimants, and shall post its claim procedures and forms on its Web site.*

(g) *The Controller shall transfer ten million dollars (\$10,000,000) from the General Fund to the Crimestopper Reward Reimbursement Fund for the 2009–10 fiscal year.*

(i) *Nothing in this section shall be deemed to preclude or otherwise interfere with the Governor's power to offer rewards pursuant to Section 1547 of the Penal Code.*

SEC. 5.4. Section 13974.6 is added to the Government Code, to read:

13974.6. (a) *The Victim Trauma Recovery Fund is hereby created for the purpose of supporting victim recovery, resource, and treatment programs to provide comprehensive recovery services to victims of crime.*

(1) *Knowingly and maliciously prevents or dissuades any witness or victim from attending or giving testimony at any trial, proceeding, or inquiry authorized by law.*

(2) *Knowingly and maliciously attempts to prevent or dissuade any witness or victim from attending or giving testimony at any trial, proceeding, or inquiry authorized by law.*

(3) *For purposes of this section, evidence that the defendant was a family member who interceded in an effort to protect the witness or victim shall create a presumption that the act was without malice.*

(b) Except as provided in subdivision (c), every person who attempts to

prevent or dissuade another person who has been the victim of a crime or who is witness to a crime from doing any of the following is guilty of a public offense and shall be punished by imprisonment in a county jail for not more than one year or in the state prison:

(1) Making any report of that victimization to any peace officer or state or local law enforcement officer or probation or parole or correctional officer or prosecuting agency or to any judge.

(1) Where the act is accompanied by force or by an express or implied threat of force or violence, upon a witness or victim or any third person or the property of any victim, witness, or any third person.

(2) Where the act is in furtherance of a conspiracy.

(3) Where the act is committed by any person who has been convicted of any violation of this section, any predecessor law hereto or any federal statute or statute of any other state which, if the act prosecuted was committed in this state, would be a violation of this section.

(4) Where the act is committed by any person for pecuniary gain or for any other consideration acting upon the request of any other person. All parties to such a transaction are guilty of a felony.

(d) Any person who, by means of force or by express or implied threat of force or violence, attempts to prevent or dissuade a judge, juror, prosecutor, public defender, or peace officer from participating in the arrest, prosecution, trial, or impartial judgment of any criminal suspect is guilty of a felony punishable by imprisonment in the state prison for two, three, or four years.

(e) Any person who, by means of force or by express or implied threat of force or violence, attempts to prevent or dissuade any person from filing, authorizing, or implementing a gang injunction or nuisance abatement process in response to gang, drug, or other organized criminal activity, or from inspecting premises where such activities occur, shall be guilty of a felony punishable by imprisonment in the state prison for two, three, or four years.

(f) Any person who, by means of force or by express or implied threat of force or violence, attempts to retaliate against any person who lawfully participated in any criminal or civil process protected pursuant to subdivision (a), (b), (d), or (e) shall be guilty of a felony punishable by imprisonment in the state prison for two, three, or four years.

(g) Every person attempting the commission of any act described in subdivisions (a), (b), and (c), and (d) is guilty of the offense attempted without regard to success or failure of the attempt. (h) Nothing in this section precludes the imposition of an enhancement for great bodily injury where the injury inflicted is significant or substantial.

(i) The use of force during the commission of any offense described in subdivision (c) shall be considered a circumstance in aggravation of the crime in imposing a term of imprisonment under subdivision (b) of Section 1170.

SEC. 5.6. Section 11166.6 is added to the Penal Code, to read:

11166.6. (a) Each county may establish child advocacy centers to coordinate the activities of the various agencies involved in the investigation and prosecution of alleged child abuse, including those that provide medical services and follow-up treatment to victims of child abuse. The purpose of these centers is to protect victims of child abuse by minimizing traumatizing interviews through the coordination of efforts of district attorneys, child welfare social workers, law enforcement, and medical personnel, among others, and to assist prosecution by reducing the chances of conflicting or inaccurate information by asking age-appropriate questions to help procure information that is admissible in court.

(b) (1) Member agencies of the child advocacy center shall, at a minimum, consist of a representative from the district attorney's office, the sheriff's department, a police department, and child protective services, and may include medical and mental health professionals.

(2) Members of the local child advocacy center shall be trained to conduct child forensic interviews. The training shall include instruction in risk assessment, the dynamics of child abuse, including the abuse of children with special needs, child sexual abuse and rape of children, and legally sound and

age-appropriate interview and investigation techniques.

(c) The Child Advocacy Center Fund is hereby created for the purpose of supporting child advocacy centers. Money appropriated from the fund shall be made available through the Office of Emergency Services to any public or private nonprofit agency for the establishment or maintenance, or both, of child advocacy centers that provide comprehensive child advocacy services, as specified in this section.

SEC. 5.7. Section 1464 of the Penal Code is amended to read:

1464. (a) (1) The people of the State of California find and declare that street crime, through its prevalence and brutality, creates numerous victims who require support and services that are best obtained from experienced providers. Further, because the funds allocated to the Driver Training Penalty Assessment Fund are no longer used for their original purpose, it is appropriate to redirect those funds, which are generated by criminal penalty assessments, to victim services and law enforcement training programs.

(2) Subject to Chapter 12 (commencing with Section 76000) of Title 8 of the Government Code, and except as otherwise provided in this section, there shall be levied a state penalty in the amount of ten dollars (\$10) for every ten dollars (\$10), or part of ten dollars (\$10), upon every fine, penalty, or forfeiture imposed and collected by the courts for all criminal offenses, including all offenses, except parking offenses as defined in subdivision (i) of Section 1463, involving a violation of a section of the Vehicle Code or any local ordinance adopted pursuant to the Vehicle Code.

(3) Any bail schedule adopted pursuant to Section 1269b or bail schedule adopted by the Judicial Council pursuant to Section 40310 of the Vehicle Code may include the necessary amount to pay the penalties established by this section and Chapter 12 (commencing with Section 76000) of Title 8 of the Government Code, and the surcharge authorized by Section 1465.7, for all matters where a personal appearance is not mandatory and the bail is posted primarily to guarantee payment of the fine.

(4) The penalty imposed by this section does not apply to the following:

(A) Any restitution fine.

(B) Any penalty authorized by Chapter 12 (commencing with Section 76000) of Title 8 of the Government Code.

(C) Any parking offense subject to Article 3 (commencing with Section 40200) of Chapter 1 of Division 17 of the Vehicle Code.

(D) The state surcharge authorized by Section 1465.7.

(e) Where multiple offenses are involved, the state penalty shall be based upon the total fine or bail for each case. When a fine is suspended, in whole or in part, the state penalty shall be reduced in proportion to the suspension.

(f) When any deposited bail is made for an offense to which this section applies, and for which a court appearance is not mandatory, the person making the deposit shall also deposit a sufficient amount to include the state penalty prescribed by this section for forfeited bail. If bail is returned, the state penalty paid thereon pursuant to this section shall also be returned.

(g) In any case where a person convicted of any offense, to which this section applies, is in prison until the fine is satisfied, the judge may waive all or any part of the state penalty, the payment of which would work a hardship on the person convicted or his or her immediate family.

(h) After a determination by the court of the amount due, the clerk of the court shall collect the penalty and transmit it to the county treasury. The portion thereof attributable to Chapter 12 (commencing with Section 76000) of Title 8 of the Government Code shall be deposited in the appropriate county fund and 70 percent of the balance shall then be transmitted to the State Treasury, to be deposited in the State Penalty Fund, which is hereby created, and 30 percent to remain on deposit in the county general fund. The transmission to the State Treasury shall be carried out in the same manner as fines collected for the state by a county.

(i) The moneys so deposited in the State Penalty Fund shall be distributed as follows:

(1) Once a month there shall be transferred into the Fish and Game Preservation Fund an amount equal to 0.33 percent of the state penalty funds deposited in the State Penalty Fund during the preceding month, except that the total amount shall not be less than the state penalty levied on fines or forfeitures for violation of state laws relating to the protection or propagation of fish and game. These moneys shall be used for the education or training of department employees which fulfills a need consistent with the objectives of the Department of Fish and Game.

(2) Once a month there shall be transferred into the Restitution Fund an amount equal to ~~32.02~~ 30.21 percent of the state penalty funds deposited in the State Penalty Fund during the preceding month. Those funds shall be made

available in accordance with Section 13967 of the Government Code.

(3) Once a month there shall be transferred into the Peace Officers' Training Fund an amount equal to ~~23.99~~ *32.44* percent of the state penalty funds deposited in the State Penalty Fund during the preceding month.

(4) Once a month there shall be transferred into the Driver Training Penalty Assessment Fund an amount equal to ~~25.70~~ *0.67* percent of the state penalty funds deposited in the State Penalty Fund during the preceding month.

(5) Once a month there shall be transferred into the Corrections Training Fund an amount equal to ~~7.88~~ *13.80* percent of the state penalty funds deposited in the State Penalty Fund during the preceding month. Money in the Corrections Training Fund is not continuously appropriated and shall be appropriated in the Budget Act.

(6) Once a month there shall be transferred into the Local Public Prosecutors and Public Defenders Training Fund established pursuant to Section 11503 an amount equal to ~~0.78~~ *1.25* percent of the state penalty funds deposited in the State Penalty Fund during the preceding month. ~~The amount so transferred shall not exceed the sum of eight hundred fifty thousand dollars (\$850,000) in any fiscal year. The remainder in excess of eight hundred fifty thousand dollars (\$850,000) shall be transferred to the Restitution Fund.~~

(7) Once a month there shall be transferred into the Victim-Witness Assistance Fund an amount equal to ~~8.64~~ *16.94* percent of the state penalty funds deposited in the State Penalty Fund during the preceding month.

(8) (A) Once a month there shall be transferred into the Traumatic Brain Injury Fund, created pursuant to Section 4358 of the Welfare and Institutions Code, an amount equal to 0.66 percent of the state penalty funds deposited into the State Penalty Fund during the preceding month. (4) If the person requests a hearing, the court clerk shall set a hearing no later than 30 days from receipt of that request. The court clerk shall notify the person, the law enforcement agency involved, and the district attorney of the date, time, and place of the hearing.

statement shall be included in the court's minutes. The report prepared by the investigative staff pursuant to subdivision (b) of Section 1318.1 shall be placed in the court file for that particular matter.

SEC. 9.3. Section 1319.5 of the Penal Code is amended to read:

1319.5. (a) No person described in subdivision (b) who is arrested for a new offense may be released on his or her own recognizance until a hearing is held in open court before the magistrate or judge.

(b) Subdivision (a) shall apply to the following:

(1) Any person who is currently on felony probation or felony parole.

(2) Any person who has failed to appear in court as ordered, resulting in a warrant being issued, ~~three~~ two or more times over the three years preceding the current arrest, except for infractions arising from violations of the Vehicle Code, and who is arrested for any of the following offenses:

(D) A violation of Section 484 (theft).

(E) A violation of Section 459 (burglary).

(F) Any offense in which the defendant is alleged to have been armed with or to have personally used a firearm.

SEC. 9.4. Section 3044.5 is added to the Penal Code, to read:

3044.5. (a) *The Division of Adult Parole Operations staff shall report to the Board of Parole Hearings any parolee who is reasonably believed to have engaged in the following kinds of behavior:*

(1) *Any conduct described in subdivision (c) of Section 667.5, any conduct described in subdivision (c) of Section 1192.7, or any assaultive conduct resulting in serious injury to the victim.*

(2) *Possession, control, use of, or access to any firearms, explosives, or crossbow or possession or any use of a weapon as specified in subdivision (a) of Section 12020, or any knife having a blade longer than two inches, except as provided in Section 2512 of Title 15 of the California Code of Regulations.*

(3) *Involvement in fraudulent schemes involving more than one thousand dollars (\$1,000).*

(8) *The failure to provide two blood specimens, a saliva sample, right thumb print impressions, and full palm print impressions of each hand as provided in Sections 295 through 300.3, requiring specified offenders to give samples before release.*

(9) *The failure to register as provided in Section 290, if the parolee is required to register.*

(10) *The failure to sign conditions of parole.*

(11) *Violation of the special condition prohibiting any association with any member of a prison gang, disruptive group, or criminal street gang activity, as enumerated in subdivision (e) of Section 186.22, if that condition was imposed.*

(12) *Violation of the special condition prohibiting any association with any member of a prison gang, disruptive group, or criminal street gang, as defined in subdivision (e) of Section 2513 of Title 15 of the California Code of Regulations, or the wearing or displaying of any gang colors, signs, symbols, or paraphernalia associated with gang activity, if that condition was imposed.*

(13) *Violation of the special condition requiring compliance with any gang-abatement injunction, ordinance, or court order, if that condition was imposed.*

(1) *Any behavior listed in subdivision (a).*

(2) *Any violent, assaultive, and or criminal conduct involving firearms.*

(3) *Any violation of a condition to abstain from alcoholic beverages.*

(d) *The board, as soon as practicable, shall require that all reports required by this section are transmitted electronically and that reports involving gang, firearm, and violent felonies are given appropriate priority.*

SEC. 9.5. Section 5072 is added to the Penal Code, to read:

5072. (a) *There is hereby established in the State Treasury the Parolee Reentry Fund for the purpose of funding contracts for parolee mentoring and workforce preparation programs to be awarded by the Secretary of the Department of Corrections and Rehabilitation. Recipients shall be required to have extensive expertise in designing, managing, monitoring, and evaluating mentoring, workforce, and comprehensive programs specific to parolees, including demonstrated evidence of an effective prisoner reentry program model. For purposes of awarding contracts, contract recipients are required to have extensive related experience working with federal, state, or local government agencies.*

(b) *The purpose of these programs is to target critical funding to assist and prepare offenders for return to their communities in an effort to reduce recidivism rates and the high costs and threat to public safety associated with the prevalent cycle of incarceration, release, and return to prison. The programs are also intended to provide support, opportunities, mentoring, education, and training to offenders on parole. Parameters of the programs shall be as follows:*

(1) *The programs shall focus on helping parolees make and sustain long-term attachments to the workforce.*

(2) *The programs shall offer parolees critical support services and referral for housing, addiction, and other services through a case management component. The program will also offer opportunities for positive social support through a mentoring component.*

(3) *The secretary may authorize programs that employ daily check-in facilities, GPS devices, voiceprints, or other technologies to monitor the daily activities of parolee participants, especially those who are not actively employed or participating in classes.*

(c) *The sum of twenty million dollars (\$20,000,000) is hereby appropriated from the General Fund to the Parolee Reentry Fund for the 2009–10 fiscal year and annually thereafter, adjusted for cost of living changes pursuant to the California Consumer Price Index.*

(d) *It is the intent of the people that emphasis be placed upon programs that provide public safety through aggressive supervision of parolees. An offender's conduct during the months immediately following release from prison are of critical importance and generally determine whether he or she will return to custody. Parolees must be subject to conditions that include, at a minimum, the state's right to conduct warrantless searches. Programs that help monitor or assist parolees, including GPS, job training, mentoring, and education programs offer substantial promise but cannot be effectively implemented by parole agents who are routinely burdened by caseloads of 100 or more parolees per agent.*

(e) *Accordingly, the department shall, within six months of the effective date of this act, adopt a public plan designed to recruit and train sufficient parole agents to reduce average caseloads below 50 parolees per agent with lower ratios for sex offenders, gang offenders, and other high-control groups. The overall caseload ratio shall be calculated based upon total parolees and total parole agents applying the same definitions and parole periods in place during the 2006–07 base year. The plan shall be fully implemented no later than December 31, 2010.*

SEC. 10. LAW ENFORCEMENT RESOURCES

SEC. 10.1. Section 30061.1 is added to the Government Code, to read:

30061.1. (a) *There is hereby created in the State Treasury the Citizens Option for Public Safety Fund (COPS), which may be allocated only for the purposes specified in this section.*

(b) *The sum of five hundred million dollars (\$500,000,000) is hereby appropriated from the General Fund to the COPS Fund for the 2009–10 fiscal year, and annually each fiscal year thereafter, adjusted for cost of living pursuant to the California Consumer Price Index for the purpose of supporting*

local public safety, antigang, and juvenile justice programs.

(c) Of the amount appropriated to the COPS Fund, one-half shall be transferred by the Controller to local jurisdictions through each county's Supplemental Law Enforcement Services Fund (SLESF) for support of programs authorized by Section 30061 as of July 1, 2007, for the 2009–10 fiscal year, and annually each fiscal year thereafter.

(d) Of the amount appropriated to the COPS Fund, one-half shall be transferred by the Controller to the Safe Neighborhood Fund for the 2009–10 fiscal year, and annually each fiscal year thereafter, for public safety, antigang, and other programs newly authorized pursuant to Section 30061.15. These funds shall be distributed in accordance with the provisions of the act that added this section.

SEC. 10.2. Section 30061.15 is added to the Government Code, to read:

30061.15. (a) There is hereby created in the State Treasury the Safe Neighborhood Fund. Funds may only be distributed for the purposes specified in this section. All funding in this section shall be distributed according to the pro rata share of population as established annually by the Department of Finance, unless otherwise stated.

(b) The Comprehensive Safe Neighborhood Plan is hereby established to assist local law enforcement and communities throughout the state with a combination of programs that augment local enforcement and early intervention capacity and create regional and statewide antigang networks in order to deter crime, as well as enforce the law, as follows:

(1) Twelve percent of the Safe Neighborhood Fund shall be annually allocated by the Controller to city uniformed law enforcement agencies to be used to target violent, gang, firearm, and other street crimes. The funds shall be distributed on a pro rata basis based upon the population of each city as determined by the Department of Finance. The funds allocated to each city shall be used to enhance uniformed law enforcement within the recipient city.

(2) Ten percent of the Safe Neighborhood Fund shall be annually allocated by the Controller to county district attorneys to support violent felon, gang, and car theft vertical prosecution, to be deposited in each county's SLESF. Recipients are encouraged to expend a portion of the funding received pursuant to this subdivision, not to exceed 2 percent of a recipient's allocation, for training prosecutors in the effective use of the Street Terrorism Enforcement and Prevention (STEP) Act in gang prosecutions.

(3) Six percent of the Safe Neighborhood Fund shall be annually allocated by the Controller to the Office of Public Safety Education and Information to support multiagency, regional gang task forces and for statewide gang enforcement training programs for uniformed police and sheriffs.

(4) Eight percent of the Safe Neighborhood Fund shall be annually allocated to county sheriffs, and mid-sized cities with populations under 300,000 who are not currently eligible for the minimum grant of one hundred thousand dollars (\$100,000) under Section 30061, to address enforcement problems common to small, mid-sized, and fast growing communities so that they can more actively participate in county, regional, and statewide enforcement activities and programs to be distributed as follows:

(A) Two and thirty-two hundredths percent of the Safe Neighborhood Fund shall be distributed in equal amounts to county sheriffs.

(B) Five and sixty-eight hundredths percent of the Safe Neighborhood Fund to mid-sized cities, as defined in this paragraph, in pro rata shares based upon each city's population as determined by the Department of Finance.

(5) One percent of the Safe Neighborhood Fund shall be annually allocated by the Controller to the Office of Public Safety Education and Information for the purpose of distributing to cities that actively enforce civil gang injunctions.

(6) Twenty-six percent of the Safe Neighborhood Fund shall be annually allocated by the Controller to each participating county probation department according to its pro rata share of the population as follows:

(A) Twenty percent of the Safe Neighborhood Fund shall fund county probation programs to alleviate existing probation caseloads and to provide intensified supervision for adult offenders on probation.

(B) Six percent of the Safe Neighborhood Fund shall fund task forces to conduct searches of high-risk probationers to ensure compliance with their conditions of probation. Each participating county shall establish a Developing Increased Safety through Arms Recovery Management (DISARM) Team comprised of the county sheriff, at least one police chief from a city within the county, the district attorney, and the chief probation officer, and shall establish strategies, standards, and procedures to assist probation officers in removing firearms from high-risk probationers by ensuring compliance with their conditions of probation. For purposes of this subdivision, high-risk probationers shall include, but not be limited to, persons with at least one

conviction for any of the following crimes:

(i) Assault with a deadly weapon, as defined in Section 245 of the Penal Code.

(ii) Attempted murder, as defined in Section 664 of the Penal Code.

(iii) Homicide, as provided in Chapter 1 (commencing with Section 187) of Title 8 of Part 1 of the Penal Code.

(iv) Robbery, as provided in Sections 211, 212, 213, and 214 of the Penal Code.

(v) Criminal street gang crimes as described in Section 186.22 of the Penal Code.

(7) One percent of the Safe Neighborhood Fund shall be annually allocated by the Controller to support the California Early Intervention, Rehabilitation, and Accountability Commission authorized pursuant to Section 13921.

(8) Ten percent of the Safe Neighborhood Fund shall be annually allocated by the Controller to county sheriffs to support the construction and operation of jails to be deposited in each county's SLESF.

(9) Four percent of the Safe Neighborhood Fund shall be annually allocated by the Controller to the Department of Justice to support the California Witness Protection Program, or any successor program, created pursuant to Section 14020 of the Penal Code.

(10) Two percent of the Safe Neighborhood Fund shall be annually allocated by the Controller to the Office of Public Safety Education and Information, which shall contract with the Department of Justice or other California enforcement agency to develop and implement a secure statewide gang data warehouse system that shall interface with the current state Cal-Gang database to provide a gang information sharing database system available to local, state, and federal law enforcement agencies to better target and prosecute gang crime. After the first year, the Office of Public Safety Education and Information shall allocate two million dollars (\$2,000,000) each year to support and maintain this system and three million dollars (\$3,000,000) each year to regional gang informational resource centers to help offset the costs of personnel who will staff these resource centers.

(11) (A) Six percent of the Safe Neighborhood Fund shall be annually allocated by the Controller to counties for the purchase of Global Positioning System (GPS) tracking equipment to be used for monitoring high-risk individuals, including gang offenders, violent offenders, and sex offenders.

(i) Participating counties must submit to the Controller, no later than May 1 prior to the fiscal year in which funding is sought, a resolution adopted by the county board of supervisors requesting the amount sought to be used by the county sheriff or probation department to purchase and monitor GPS tracking equipment.

(ii) Funds shall be distributed to each participating county based on the sum requested by that county or that county's pro rata share of the total population of all participating counties, whichever is less.

(iii) If the total funds distributed is less than the annual allocation, the remainder shall be distributed to participating counties that sought a greater amount on the same basis as the initial distribution until the allocation is exhausted or all county requests have been honored.

(B) The cost of monitoring any offender who is subject to GPS tracking under conditions imposed by the state parole authority shall, for the duration of the GPS monitoring period, be a state expense. Any requirement that a county or local government monitor such an offender shall constitute a fully reimbursable state mandate.

(12) Four percent of the Safe Neighborhood Fund shall be annually allocated by the Controller to multiagency narcotic task forces with an emphasis on those task forces focusing on border interdiction. Eligible task forces (police and sheriffs) may be formed pursuant to this subdivision or may preexist, provided that only multijurisdictional task forces that do not restrict agency participation or leadership roles shall receive funding.

(13) Six percent of the Safe Neighborhood Fund shall be annually allocated by the Controller to the Office of Public Safety Education and Information for the purpose of disseminating criminal justice information to the public and administering public safety programs pursuant to Section 14260 of the Penal Code.

(14) Four percent of the Safe Neighborhood Fund shall be annually allocated by the Controller to the Office of Public Safety Education and Information for the purpose of matching local expenditures to fund law enforcement-run juvenile recreational and community service programs. Any sheriff's department, police department, or regional association of such agencies may apply for grant funding to administer a juvenile recreation program with an emphasis on sports, education, and community service. Eligible programs must be administered by peace officers and require an equal match of local

funding or in-kind services. The local match requirement may be met by the value of locally dedicated facilities or officer services or through charitable contributions. Priority shall be given to programs that provide services for at-risk juvenile populations, create alternatives to criminal street gang involvement, and ensure a long-term local commitment. Grants may be made for periods of up to 10 years.

SEC. 10.3. Section 30062.1 is added to the Government Code, to read:

30062.1. (a) There is hereby established the Safe Neighborhoods Compliance Enforcement Fund in the State Treasury to augment local government efforts to ensure that occupants of residential housing units paid for by vouchers issued pursuant to Section 8 of the United States Housing Act of 1937 (Section 1437f of Title 42 of the United States Code) comply with the regulations issued pursuant thereto and with the conditions of their publicly funded tenancies.

(b) The fund shall be administered by the Office of Public Safety Education and Information (OPSE), which shall match qualified increases in local agency expenditures to enhance regulatory capacity. The objective of this funding is to eliminate public funding of tenancies that are occupied by individuals who are involved in illegal gang, drug, or other criminal activity so that limited public resources can be used to assist law-abiding families in need of safe housing.

(c) There is hereby appropriated from the General Fund to the Safe Neighborhoods Compliance Enforcement Fund ten million dollars (\$10,000,000) for the 2009–10 fiscal year and annually thereafter, adjusted for cost of living changes pursuant to the California Consumer Price Index.

(d) Every governmental agency authorized to enforce compliance with occupancy requirements of vouchers pursuant to Section 8 of the United States Housing Act of 1937 may apply for a matching grant from the Safe Neighborhoods Compliance Enforcement Fund as follows:

(1) No later than March 30, 2009, and each year thereafter, each applicant agency shall submit to the Office of Public Safety Education and Information a request for funding documenting the following in order to be eligible:

(A) The source of the agency's regulating authority.

(B) The amount and source of the local agency's new funding or additional in-kind services, which shall match in equal dollar amount the grant sought from the Safe Neighborhoods Compliance Enforcement Fund.

(C) The additional personnel, equipment, or compliance enforcement procedures, to be financed by the grant funds.

(D) The number of vouchers pursuant to Section 8 of the United States Housing Act of 1937 issued within the agency's jurisdiction.

(E) The agency's process for ensuring that all occupants of Section 8 tenancies within the agency's jurisdiction are subject to a criminal background check at least once each year.

(2) No funds shall be awarded unless the criteria in paragraph (1) are met.

(e) (1) The Office of Public Safety Education and Information shall, on or before June 30, 2009, and each year thereafter, following the deadline for grant applications tabulate the total number of vouchers pursuant to Section 8 of the United States Housing Act of 1937 issued by all of the applicant agencies and shall assign to each agency a numerical factor (percentage) representing its proportionate share of the total number of vouchers pursuant to Section 8 of the United States Housing Act of 1937 issued by all applicant agencies.

(2) Each agency that timely complies with eligibility conditions and the application process shall be issued a 50-percent matching grant up to that percentage of the annual fund appropriation, which equals the agency's proportionate jurisdictional share (numerical factor) of all vouchers pursuant to Section 8 of the United States Housing Act of 1937 as calculated pursuant to subdivision (d).

(3) In the event that available funding is not exhausted pursuant to paragraph (1) of subdivision (d) the process shall be repeated so that each agency that has sought a grant greater in proportion to its percentage of total vouchers calculated pursuant to paragraph (1) shall participate in a second or subsequent pool.

(f) The Office of Public Safety Education and Information may use up to 3 percent of the total funding for necessary administration of the fund and oversight of recipient programs.

SEC. 10.4. Section 4004.6 is added to the Penal Code, to read:

4004.6. (a) This section applies to any county in which any of the following is true:

(1) The county is subject to federal court orders imposing population caps, or is subject to a self-imposed population cap.

(2) The county is releasing inmates early to avoid overcrowding exceeding 90 percent of jail capacity.

(3) The county has exceeded 90 percent of jail capacity on one or more occasions during each of six consecutive months.

(b) The sheriff of any county described in subdivision (a) or, in the case of Madera, Napa, and Santa Clara Counties, the board of supervisors or the Director of Corrections, shall, following a resolution adopted after notice and public hearing by the county board of supervisors, be authorized to employ and operate housing facilities that meet local health and safety codes for residential occupancy, and are deemed secure, as temporary jails or treatment facilities. Nothing in this section shall be construed to authorize the use of noncounty employees to staff temporary jail or treatment facilities. Facilities located within incorporated areas shall in addition require a resolution adopted by the city council.

(1) No inmate shall be housed in a temporary jail or treatment facility for a period exceeding 90 days based on a single sentence.

(2) Determinations regarding the placement of inmates and the security of jail facilities shall be made exclusively by the county sheriff upon consultation with the board of supervisors.

(3) The provisions of this act shall not be construed to limit or preclude any sheriff or, in the case of Madera, Napa, and Santa Clara Counties, the board of supervisors or the Director of Corrections, from employing lawfully authorized early release, electronic monitoring, or work release programs as necessary.

(4) Notwithstanding any other law or regulation, the use of an emergency jail facility authorized under this section is a discretionary act and shall not form the basis for civil liability on the part of the sheriff, the sheriff's department, or the county or municipality within which the facility is located.

(5) Any inmate who escapes from a temporary jail facility or other alternative housing facility shall, in accordance with current law, be in felony violation of Section 4532.

(c) In the event the condition constituting an emergency under this section is remedied and the total population of jail inmates within the subject county remains below 80 percent of permanent authorized capacity for 12 consecutive months, the sheriff or, in the case of Madera, Napa, and Santa Clara Counties, the board of supervisors or the Director of Corrections, shall, within a reasonable period of time, cease to admit inmates to emergency facilities or bring such facilities into compliance with all applicable laws and regulations for permanent inmate housing.

(d) The population of jail inmates shall, for purposes of this section, include any parole violators held in county jail facilities under contract with the Department of Corrections and Rehabilitation.

SEC. 10.5. Section 14175 of the Penal Code is repealed.

~~14175.—This title shall become inoperative on July 1, 2009, and is repealed as of January 1, 2010, unless a later enacted statute, which is enacted before January 1, 2010, deletes or extends that date.~~

SEC. 10.6. Section 14183 of the Penal Code is repealed.

~~14183.—This title shall become inoperative on July 1, 2010, and is repealed as of January 1, 2011, unless a later enacted statute that is enacted before January 1, 2011, deletes or extends those dates.~~

SEC. 11. FUNDING OF EXISTING PROGRAMS

The following existing programs shall be funded at or above the level of funding they received in the Budget Act of 2007:

(1) Jail Efficiency Fund as established under Item 9210-105-0001.

(2) California Multi-Jurisdictional Methamphetamine Enforcement Team (CAL-MMET) program under Item 0690-101-0001.

(3) Central Valley Rural Crime Prevention Program established in Chapter 497 of the Statutes of 2005.

(4) Central Coast Rural Crime Prevention Program established in Chapter 18 of the Statutes of 2003.

(5) Juvenile Probation Camp Funding under Item 5225-101-0001, Schedule 1.

SEC. 12. INTENT REGARDING EXISTING PROGRAMS

It is the intent of the people that the adoption of the Safe Neighborhoods Act shall elevate public safety as a statewide priority and limit volatility in the funding of law enforcement and complementary programs of crime deterrence and offender rehabilitation. All too often, short-term economic problems and a multitude of competing interests cause promising programs of deterrence and law enforcement to come to an end or force public safety agencies to work without adequate personnel or equipment. Under the best of circumstances, California police, sheriffs, and correctional officers are faced with much higher caseloads than their counterparts in other parts of the country. Providing our public safety agencies authorization to enforce the law and deter crime is meaningless if these agencies are not provided resources commensurate with

their authority. Authorizing additional resources to combat methamphetamine interdiction will prove illusory if the recipient agencies simultaneously lose funding to combat street gangs and firearm violations. Accordingly, this act is designed to protect both new and existing programs and resources and to subject all of the enumerated programs to greater public scrutiny. The objective is to establish a higher commitment to both crime deterrence and enforcement and to sustain that level of commitment.

SEC. 13. EDUCATION FUNDING GUARANTEE

No provision within this act shall be construed to alter the calculation of the minimum state obligations under Section 8 of Article XVI of the California Constitution, nor diminish the actual state and local support for K–14 schools required by law except as authorized by the Constitution.

SEC. 14. INTENT REGARDING VOTER-APPROVED DRUG TREATMENT

No provision of this act shall be construed to change the eligibility of any person to participate in a voter-approved drug treatment program.

SEC. 15. NON-SUPLANTATION CLAUSE

The funding authorized and/or made permanent under this act shall supplement and enhance the resources and capacity of public safety agencies and programs throughout California and, accordingly, the state, or any city, county, city and county, or other political subdivision is prohibited from reducing the level of funding received by any recipient agency or program below that amount received during the higher of the 2007–08 or the 2008–09 fiscal year so as to supplant or offset in whole or in part the enhanced level of funding authorized by this act.

SEC. 16. FUNDING FLOOR NOT CEILING

Nothing in this act shall preclude the Legislature from increasing or authorizing public safety appropriations greater than, or in addition to, those approved under this act.

SEC. 17. FUTURE FUNDING CLAUSE

Notwithstanding Section 13340 of the Government Code, any moneys allocated and appropriated under this act that are not encumbered or expended within any applicable period prescribed by law shall, together with the accrued interest on the amount, revert to and remain in the same account for encumbrance and expenditure for the next fiscal period. If any recipient program ceases to require funding authorized under this act or if such funds remain undistributed to eligible agencies for a period of two fiscal years after authorization, those funds shall revert to the General Fund.

SEC. 18. CONFLICTING BALLOT MEASURES

In the event that this measure relating to strengthening our communities by increasing prison sentences on violent offenders and criminal street gang members, or any other measure that reduces criminal penalties or authorizes early release of inmates, is approved by a majority of voters at the same election, and this measure receives a greater number of affirmative votes than any other such measure or measures, this measure shall control in its entirety and conflicting provisions in the said other measure or measures shall be rendered void and without any legal effect. If this measure is approved but does not receive a greater number of affirmative votes than said other measure or measures, this measure shall take effect to the extent permitted by law.

SEC. 19. STATUTORY REFERENCES

Unless otherwise indicated, all references within this act to a statute shall be construed to reference the statute as it existed on January 1, 2008.

SEC. 20. SEVERABILITY CLAUSE

If any provision of this act, or part thereof, is for any reason held to be invalid or unconstitutional, the remaining provisions shall not be affected, but shall remain in full force and effect, and to this end the provisions of this act are severable.

SEC. 21. AMENDMENT CLAUSE

The provisions of this act shall not be amended by the Legislature except by a statute passed in each house by rollcall vote entered in the journal, three-fourths of the membership of each house concurring, or by a statute that becomes effective only when approved by the voters. However, the Legislature may amend the provisions of this act to expand the scope of their application or to increase punishments or penalties provided herein by a statute passed by majority vote in each house thereof.

PROPOSITION 7

This initiative measure is submitted to the people of California in accordance with the provisions of Section 8 of Article II of the California Constitution.

This initiative measure amends sections of the Public Utilities Code and

amends and adds sections to the Public Resources Code; therefore, existing provisions proposed to be deleted are printed in ~~strikeout type~~ and new provisions proposed to be added are printed in *italic type* to indicate that they are new.

PROPOSED LAW

THE SOLAR AND CLEAN ENERGY ACT OF 2008

SECTION 1. TITLE

This measure shall be known as “The Solar and Clean Energy Act of 2008.”

SEC. 2. FINDINGS AND DECLARATIONS

The people of California find and declare the following:

A. Global warming and climate change is now a real crisis. With the polar ice caps continuing to melt, temperatures rising worldwide, increasing greenhouse gases, and dramatic climate changes occurring, we are quickly reaching the tipping point. California is facing a serious threat from rising sea levels, increased drought, and melting Sierra snowpack that feed our water supply. California needs solar and clean energy to attack the climate changes which threaten our state.

B. California suffers from drought, air pollution, poor water quality, and many other environmental problems. Very little has been done because the special energy interests block change. Californians must take energy reform into their own hands. The alternative to dirty energy is solar and clean energy.

C. California can provide the leadership needed to attack global warming and climate change.

D. The Solar and Clean Energy Act will help reduce air pollution in California. With this initiative, we can help clean up our air and build a healthier, cleaner environment for our children.

E. Our traditional sources of power rely too much on fossil fuels and foreign energy that are getting more and more expensive and less reliable. This initiative will encourage investment in solar and clean energy sources that in the long-run are cheaper and are located here in California, and in the short-term, California’s investment in solar and clean energy will result in no more than a 3 percent increase in electric rates—a small price to pay for a healthier and cleaner environment.

F. The Solar and Clean Energy Act will put California on the path to energy independence by requiring all electric utilities to produce 50 percent of their electricity from clean energy sources like solar and wind by 2025. Right now, over 22 percent of California’s greenhouse gases comes from electricity generation but around 10 percent of California’s electricity comes from solar and clean energy sources, leaving Californians vulnerable to high energy costs, to political instability in the Middle East, and to being held hostage by big oil companies.

G. The Solar and Clean Energy Act encourages new technology to produce electricity. Many people are familiar with the solar power that comes from panels that can be placed on rooftops, but there is dramatic new technology that allows solar energy to be generated from concentrations of solar mirrors in the desert. These mirrors are so efficient that a large square array, eleven miles on a side, may be able to generate enough electricity to meet all of California’s needs and at a lower cost than we are paying today. The desert could lead us to energy independence.

H. The current law says we are supposed to have 20 percent solar and clean energy but we are still at around 10 percent and even big government-owned utilities like those in Los Angeles and Sacramento lobbied successfully to exempt themselves from the law. The Solar and Clean Energy Act provides incentives, tough standards, and penalties for those who do not comply.

I. The Solar and Clean Energy Act will benefit California’s economy. Building facilities for solar and clean energy sources and transmission lines to transport that electricity will create good jobs that pay the prevailing wage. These jobs will bring new investments and new jobs to California and strengthen California’s economy.

J. Global warming and California’s reliance on fossil fuels and foreign energy are a matter of statewide concern, as is the implementation of statewide standards for the sources of electricity production and the permitting of solar and clean energy plants and related transmission facilities. Accordingly, the people find that these matters are not municipal affairs, as that term is used in Section 5 of Article XI of the California Constitution, but are instead matters of statewide concern.

SEC. 3. PURPOSE AND INTENT
